❑ Welcome!

At the University of Pittsburgh, we believe all members of our community should feel safe in every sense of the word. Students, faculty, staff, parents, visitors or alumni like me can be assured that the University continues to be dedicated to providing a safe and welcoming environment for all.

With more than 200 safety professionals, the Office of Public Safety and Emergency Management is dedicated to a culture of safety that encompasses proactive measures and continuous improvement. Our teams provide resources and guidance from self-defense to hazardous chemical procedures, in addition to utilizing state-of-the-art security features and 24/7 support for the community.

Within this report, you will find safety data and information about the staff that works across campus and behind the scenes; various safety training opportunities; helpful apps like Rave Guardian; and experts to contact with any feedback, questions or concerns.

Among our highest priorities as an organization is making sure we maintain an orderly and safe campus environment for all. Through continuous evaluation and improvement, we are taking actions that are not just focused on the now but with an eye to the future. Pitt is committed to the empowerment of all our students, faculty, and staff—that starts with ensuring a safe place to thrive.

Hail to Pitt,

Dwayne Pinkney

Executive Senior Vice Chancellor for Administration and Finance
and Chief Financial Officer

❑ Preparation of the Annual Security and Fire Safety Report

The University of Pittsburgh Office of Public Safety and Emergency Management, with assistance from the Office of University Communications and Marketing, gathers policy and crime information and prepares this report to help keep you safe and to provide information required by the Jeanne Clery Campus Safety Act, as well as the Pennsylvania Uniform Crime Reporting Act. This report is compiled using information reported to the University of Pittsburgh Police Department (Pitt Police) and all campus security authorities and information provided by other University offices such as Housing Services and Panther Central, as well as the Division of Student Affairs; Office of Compliance, Investigations and Ethics; Office of Institutional Engagement and Wellbeing; Office of Residence Life; Office of Student Conduct; Office of Facilities Management; and Department of Parking, Transportation & Services. Pitt also uses services and crime information provided by the Pittsburgh Bureau of Police. Each of these offices provides updated policy information and/or crime data.

This report is not a contract.

This report provides statistics for the previous three years concerning reported crimes that occurred on campus, in certain non-campus buildings or property owned or controlled by the University of Pittsburgh, and on public property located on-campus or adjacent to the campus. This report also includes institutional policies concerning campus safety, such as policies regarding sexual assault and harassment, stalking, domestic and dating violence, alcohol and other drugs.

The University distributes the Annual Security and Fire Safety Report by October 1 of each year to every member of the University community. The Annual Security and Fire Safety Report also is available online at safety.pitt.edu/annual-security-report.

The following pages provide an overview of security facts and information that will be helpful to you. Everyone on campus should be safety conscious and follow security procedures. If you have any questions or need additional information, you may contact any of the departments mentioned in this report. (For a quick reference, see Pitt and City of Pittsburgh emergency numbers on **page 50**.)

As the department with primary responsibility for security on campus, the University of Pittsburgh Police (Pitt Police) are dedicated to serving the needs of the University community. For emergencies, call **4-2121** from a campus phone or **412-624-2121** from a non-campus phone. For general assistance, call **412-624-4040**.

Safety by the Numbers:

Some facts about Pitt Police

- 84** Commissioned police officers
- 10** Communications room personnel
- 35** Security guards in various campus locations
- 15** Specialized Emergency Response Team (SERT) officers
- 18** Rapid Deployment Team officers
- 8** Detectives within the investigative unit

Calls are answered **24** hours a day, **7** days a week, **365** days a year.

At least **5** patrol cars are on each shift in addition to the officers on foot, bicycle, and motorcycle.

Pitt Police officers undergo more than **900** hours of initial training for certification as well as a minimum of **28** hours of annual in-service training.

Pitt has **150** contracted security guards as residence hall welcome attendants and building and parking monitors.

Things to Know about Pitt Police

- The department operates its own communications center, patrol section, investigative section and community programs unit.
- Because of their extensive coverage, Pitt Police can respond to most calls for assistance within minutes.
- Pitt Police officers are certified by Pennsylvania's Municipal Police Education and Training Commission, receiving the same education, training and certification as any city or municipal police officer in the Commonwealth.
- The Pitt Police Specialized Emergency Response Team trains monthly to assist in situations that are beyond routine patrol and response.
- Security guards work at desks, in garages and as stationary monitors around campus.
- To enhance security, the University also uses video cameras in public areas on campus.
- Upon request, officers from the Pitt Police Community Programs Unit will conduct various safety programs throughout the year.

- Pitt Police has expanded its community programs section and conducts programming for surrounding communities through school and day-care visits, field days, camps, food drives and community forums. You can follow many of the events on the [Pitt Police Facebook www.facebook.com/pittpolice](https://www.facebook.com/pittpolice), [Instagram www.instagram.com/pitt_police](https://www.instagram.com/pitt_police) and X (formerly Twitter) x.com/pittpolice pages.
- Pitt Police belongs to NOBLE (National Organization of Black Law Enforcement), National Asian Law Enforcement Association and National Association of Women Law Enforcement Executives and supports these organizations and partners with them to help with officer recruitment.
- Pitt Police has several written policies addressing diversity and anti-bias that all officers must review and adhere to. These include a Code of Ethics, a Mission and Values statement, a Bias-Based profiling policy, a Sexual and Other Harassment policy and a Standards of Conduct policy. Department policies can be found on the Pitt Police website at safety.pitt.edu/police.
- If you've had any interaction with a Pitt Police officer and wish to file a complaint or pass along a compliment, please call **412-624-2121** and request to speak to a shift supervisor, contact the administrative offices at **412-624-4040** or file a report online at compliance.pitt.edu/make-a-report.

TIP!

More than 500 emergency phones are scattered throughout the campus.

Most exterior and garage phones have blue lights, making them easily visible.

Meet Some of Your Safety Partners

University Police Authority

University of Pittsburgh Police law enforcement authority is derived from Act 57 of the 1997 Campus Police Powers and Duties and by Title 42 Pa. C.S.A. Chapter 89, relating to the Municipal Police Jurisdiction Act. Pitt Police carry firearms and have the authority to apprehend and arrest anyone involved in illegal acts on campus and within 500 yards of any University-owned or leased facility. Other law enforcement agencies work in cooperation with Pitt Police if making any arrests on University property. If a University student commits the offense, the Pitt Police also may refer the individual to the Office of Student Conduct. University and contracted guards are not armed and do not have any arrest authority.

Working Relationship with Local and State Police Agencies

Pitt Police work closely with the Pittsburgh Bureau of Police officers and have direct radio communication with city police, fire, and emergency medical personnel. A memorandum of understanding with the Pittsburgh Bureau of Police enhances the safety of the campus community and furthers the investigation of alleged criminal offenses. While the Pitt Police have an excellent working relationship with other nearby educational institutions and the Pennsylvania State Police, there are no written memoranda of understanding with these agencies at this time.

Crimes Involving Off-campus Student Organizations

Pitt Police monitor criminal activity occurring at off-campus locations of student organizations officially recognized by the institution via radio communications and/or personal contact with the Pittsburgh Bureau of Police.

Environmental Health and Safety

The Department of Environmental Health and Safety (EH&S) provides guidance and direction to students, faculty, and staff at the University. EH&S identifies hazards and risks, recommends appropriate action to help ensure safe conditions, and assists the University in maintaining regulatory compliance. To learn more about the services provided by EH&S, visit safety.pitt.edu/ehs.

Facilities Management

The Office of Facilities Management has installed and maintains exterior lighting around all its buildings, as well as additional sidewalk and street lighting. Ground crews keep shrubs and hedges low for safety reasons, especially in places such as bus stops. On any normal workday, there are scores of Pitt support personnel whose jobs include providing inspection of the entire campus and its buildings to discover and correct health, safety and maintenance problems. They report any safety-related problems to Facilities Management, whose staff members respond to correct these problems promptly. For more information about Facilities Management, please visit fm.pitt.edu.

Allied Universal Security and 3G Security

Allied Universal Security is the University's contracted security provider who provides welcome attendants for residence halls and in some apartment buildings. Allied Universal Guards also participate in the Walking Escort Service (more information on **page 19**). 3G Security provides the guards in the parking garages and crosswalks.

University of Pittsburgh Medical Center (UPMC)

UPMC hospitals have their own police departments. When Pitt students and staff work within these settings, they are responsible for familiarizing themselves with the security policies and procedures of these facilities.

Criminal incidents occurring within UPMC facilities under the required reporting geography of the University of Pittsburgh are reported to the Pitt Police and are included within Pitt's statistical report. For more information about safety and security at UPMC, contact UPMC Presbyterian at **412-647-3191**, UPMC Montefiore at **412-648-2555** or Forbes Tower at **412-647-3191**.

Radiation Safety Office

The University of Pittsburgh Radiation Safety Office is responsible for ensuring that all sources of licensed radioactive material and ionizing radiation-producing equipment, which fall under its responsibility, are used optimally and safely. The office also ensures that these sources of ionizing radiation are used in compliance with applicable federal and state regulations and with institutional licenses. The Pitt Radiation Safety Program covers all the Pittsburgh and regional campuses in addition to UPMC Presbyterian, UPMC Shadyside, UPMC Children's Hospital of Pittsburgh, and UPMC Magee-Womens Hospital. For more information, please visit radsafe.pitt.edu.

Integrated Security Department

The Integrated Security Department (ISD) is responsible for all physical security components on the Pittsburgh campus. It maintains a sophisticated infrastructure that ensures that proper safety and security applications are provided to the entire University community. ISD has installed more than 4,000 access points and more than 1,000 closed-circuit TV (CCTV) cameras on the Pittsburgh campus. All of the ISD-installed equipment also is analyzed and serviced by the department. The Pitt Police Department, as well as ISD, monitors the operations of CCTV and access control points. For more information, please visit safety.pitt.edu/isd.

University of Pittsburgh Police Training Requirements:

Commonwealth Required:

- All officers must have completed the 919-hour Act 120 Municipal Police Academy that consists of more than 47 hours in human relations, and related cultural, bias and unique population issues;
- 12 hours per year mandatory in-service training includes changes in law and procedural justice;
- Annual training on harm reduction, de-escalation and use-of-force;
- Biennial training on anti-bias, cultural awareness and procedural justice;

University Required:

- Workplace Discrimination and Harassment Prevention for Higher Education;
- Preventing Discrimination and Sexual Violence: Title IX, VAWA and the Clery Act for Faculty and Staff;

Pitt Police Required:

- 80 hours of orientation training including 32 hours of contextualized use-of-force training;
- 14-week new officer field training program supervised by a certified field training officer;
- Cultural Awareness: Anti-Bias Training for Law Enforcement, Hate Crimes Training, LGBTI Issues, Racial Profiling and Cultural Awareness 1 and 2 (both include implicit bias information);
- 9 additional hours covering the topics of Implicit Bias, Civil Rights, Procedural Justice and Community Policing;
- New officers must have a 4-year undergraduate degree (about 1.5% of departments in the country require a 4-year degree);

- Crisis Intervention Training certification to rapidly and adequately address evolving mental health issues and connect individuals with the mental health services they may need;
- Firearms Training Simulator (Don't Shoot/Shoot decision making-virtual reality scenario-based training with supervisory feedback);
- Firearms training for marksmanship, safety, scenario drills under stress;
- For training officers, Campus Safety Cultural Competency orientation presented by Margolis Healy at the Lehigh Valley Association of Independent Colleges;
- Other Pitt Police training includes cardiopulmonary resuscitation (CPR), First Aid, Narcan for opioid overdoses, Active Killer response, Lethality Assessment Training for victims of domestic violence, sexual assault response for initial responders, Clery Act, terrorism and improvised explosive device (IED) recognition; and
- The University of Pittsburgh Police Department has been accepted into the Active Bystandership for Law Enforcement (ABLE) Project, Georgetown University Law Center's national training and support initiative for U.S. law enforcement agencies committed to building a culture of peer intervention that prevents harm. Backed by prominent civil rights and law enforcement leaders, the evidence-based, field-tested ABLE Project was developed by Georgetown Law's Innovative Policing Program in collaboration with global law firm Sheppard Mullin LLP to provide practical active bystandership strategies and tactics to law enforcement officers to prevent misconduct, reduce mistakes, and promote health and wellness. For more information about ABLE Training, please visit safety.pitt.edu/police/about/training-qualifications/able-project-training.

Threat Assessment and Management Team

The Threat Assessment and Management (TAM) team is a multidisciplinary group that meets and operates on a regular basis and as needed in crisis situations. Using principles of threat management, the team is available to receive, review, discuss, and evaluate threats or acts of violent harm to members of the Pitt community; adopt and implement strategies to reduce the risk of harm to the University community; and monitor and re-evaluate threats and mitigation strategies.

For more information on TAM, please visit safety.pitt.edu/emergency/threat-assessment-and-management-team.

Care and Resource Support Team

From time to time, we find that some of our Pitt students need additional support as they work toward academic and personal success as members of our Pitt community. The Care and Resource Support (CARS) Team provides a proactive, coordinated and planned approach to assess circumstances, enhance communication and initiate appropriate response to specific behavioral, medical or social

student concerns. The CARS Team coordinates with University support and services to assist these students, whether their ability to succeed academically or to function within expected standards as a member of the Pitt community are impacted by medical or social challenges or by poor choices, conduct or decisions they made. Students who may need this additional support can be referred to the CARS Team at 412-624-5756 or Pittcares@pitt.edu. For more information about the CARS team, please visit studentaffairs.pitt.edu/care-and-resources/care-managers.

HEART Program

The Division of Student Affairs has implemented the **Pittsburgh Higher Education Assessment and Response Team (HEART)**, which provides an immediate response, initially with Pitt Police, to welfare checks initiated by members of our University communities to support students in distress. To initiate a welfare check, 24/7, please contact Pitt Police at 412-624-2121. For more information on HEART, please visit studentaffairs.pitt.edu/counseling/services/heart.

How to Report Crime and Emergencies

The University of Pittsburgh encourages everyone in the Pitt community to report crimes and other emergencies promptly and accurately to the Pitt Police or to other appropriate police agencies if off campus, including when a victim of a crime elects to report or is unable to make such a report due to physical or mental incapacitation. At sessions conducted for first-year students and their parents, participants are advised to report all information regarding any incident to the Pitt Police. Pitt Police seminars and publications offer crime prevention tips and emphasize the importance of reporting crimes.

A student, resident director, resident assistant, Pitt Police officer or any other member of the Pitt community also can refer a violation of the Student Code of Conduct to the Office of Student Conduct.

Reporting to Pitt Police

If you are experiencing or witnessing an emergency, you can always dial 9-1-1.

You can report criminal activity or other emergencies directly to Pitt Police by calling **4-2121** from a campus phone or **412-624-2121** from a non-campus phone. Crimes and emergencies also may be reported by:

- Using the Rave Guardian app on your smartphone technology.pitt.edu/emergency-notification-service-rave-guardian-app (page 13).
- Using the anonymous tips portion of the University of Pittsburgh Police Department website at safety.pitt.edu/police/report/submit-tip.
- Picking up a campus emergency (blue light) phone. These phones ring directly to the Pitt Police, automatically registering the caller's location.
- Visiting the University of Pittsburgh Jerome Cochran Public Safety Building (3412 Forbes Ave.) or any of these substations: Sutherland Hall, Hillman Library, Sennott Square, or Bouquet Gardens J. The substations are not staffed 24/7.
- Contacting the resident assistant, resident director, or other residence life staff member in the residence halls; guards or welcome attendants; or any University official who will then contact the Pitt Police, if desired.

Incidents involving sexual harassment, sexual violence, stalking, and/or dating and domestic violence, as well as incidents of bias, may be reported to the Office for Institutional Engagement and Wellbeing at **412-648-7860** or through the Pitt Concern Connection online reporting form, found at compliance.pitt.edu/make-a-report.

Demonstration and Protest Information

Students and student organizations have often used demonstrations to effect change at their institutions, as well as to call attention to areas of concern within the community. Prior to organizing and/or participating in an on-campus demonstration, please review the University's Demonstration and Protest Guidelines, which can be found at freespeech.pitt.edu/.

Specific Personnel and Locations Where One Can Report Crime

PITT POLICE

Jerome Cochran Public Safety Building, 3412 Forbes Ave.
police@pitt.edu
412-624-2121

OFFICE OF STUDENT CONDUCT

738 William Pitt Union, 3959 Fifth Ave.
usjs@pitt.edu

412-648-7860

OFFICE OF COMPLIANCE, INVESTIGATIONS AND ETHICS

Suites 508-516, Craig Hall, 200 S. Craig St.
compliance@pitt.edu
412-383-2766

University of Pittsburgh Anti-Hazing Policy

Hazing is strictly prohibited at the University of Pittsburgh. Student organizations or individuals found responsible for hazing under university policy, whether occurring on or off campus, will be subject to disciplinary action by the University in accordance with applicable university policies and procedures. Separately, such actions may also subject them to criminal charges, including hazing as defined under state law in the Timothy J. Piazza Antihazing Law, 18 Pa. C.S. § 2801, et seq.

The University defines hazing as follows:

Hazing

Intentional, knowing, or reckless act, on or off campus, committed by any person (whether individually, in concert with others or on behalf of an organization) against any other person (whether or not that other person provided consent or is a willing participant) that:

1. Is committed in the course of an initiation into, an affiliation with, the maintenance of membership in, or the enhancement of status in, a student organization; and
2. Causes or creates an unreasonable risk of physical or psychological injury (hazing shall not include reasonable and customary risks, such physical preparation associated with an athletic team).

Examples of acts that may constitute hazing include but are not limited to:

1. Whipping, beating, striking, electronic shocking, placing of a harmful substance on someone's body, or similar activity;
2. Causing, coercing, or otherwise inducing sleep deprivation, exposure to the elements, confinement in a small space, extreme calisthenics, or other similar activity;
3. Causing, coercing, or otherwise inducing another person to consume food, liquid, alcohol, drugs, or other substances;
4. Causing, coercing, or otherwise inducing another person to perform sexual acts;
5. Any activity that places another person in reasonable fear of bodily harm through the use of threatening words or conduct;
6. Any activity against another person that includes or induces another to violate any applicable criminal law.

Any argument that such conduct was sanctioned or approved by the University shall not be considered a valid defense.

How to Report Hazing

All hazing allegations should be reported to the Office of Compliance, Investigations and Ethics (CIE) by completing the online report form at compliance.pitt.edu/make-a-report and/or the University of Pittsburgh Police Department by phone at 412-624-2121, online at safety.pitt.edu/police/report/submit-tip or by using the Rave Guardian app technology.pitt.edu/emergency-notification-service-rave-guardian-app from a smartphone.

Hazing related to any University of Pittsburgh athletics teams may also be reported to the Director of Athletics at 412-648-8230 or the Associate Athletic Director for Student Life and Compliance at 412-648-8452. Hazing related to any University of Pittsburgh fraternity and sorority life chapter organization may also be reported

to the Office of Fraternity and Sorority Life at 412-648-9523. Hazing related to any University of Pittsburgh student organization may also be reported to the Student Organization Resource Center at 412-624-7115.

Although the University encourages students and others to make formal reports, you may file an anonymous report with the University Police online at safety.pitt.edu/police/report/submit-tip, by using the Rave Guardian app technology.pitt.edu/emergency-notification-service-rave-guardian-app from a smartphone, or using the Pitt Concern Connection's report form at compliance.pitt.edu/make-a-report. Anonymous reports greatly limit the University's ability to respond to and investigate the report.

In accordance with the Pennsylvania Anti-Hazing Law and the Stop Campus Hazing Act, the Office of Compliance, Investigations and Ethics (CIE) maintains a five-year report of all incidents of hazing reported to the University. This report can be found on the CIE website at compliance.pitt.edu/hazing-reporting.

The Office of Fraternity and Sorority Life (OFSL) maintains a list of all chapters and their current status at the University. This list can be found on the OFSL website at studentaffairs.pitt.edu/ccld/fsl/chapterinformation.

University Hazing Investigation Process

1. Burden of Proof

The burden of proof for finding a violation rests with the University. The respondent is presumed to be not responsible for violating University policy until such time as the respondent accepts responsibility or is found in violation, based on a preponderance of the evidence, at the conclusion of the resolution process.

2. Concurrent Processes

For allegations involving students, the Office of Compliance, Investigations & Ethics (CIE) will work collaboratively with the Office of Student Conduct to review and respond to hazing investigations.

In some incidents, conduct may also constitute a violation of the law. The University's processes are separate from the criminal justice system, but the CIE and the Office of Student Conduct will work collaboratively with the University of Pittsburgh Police Department or other law enforcement agencies, as appropriate.

In other incidents, there may be hazing allegations that include reference to other violations of University Policy, for example, sexual misconduct, bias, or discrimination. In such cases, the CIE will work collaboratively with the Office of Civil Rights & Title IX, or other offices as appropriate. Student organizations and/or individuals may also be referred to the Office of Student Conduct or Office Human Resources for further adjudication.

3. Interim Actions

The Office of Student Conduct, the Office of Human Resources, or Office of the Provost may impose interim actions when it is necessary to address a threat to the health or safety of any person, a threat to property, or a disruption or interference with the normal operations of the University, or when an organization or individual is charged with a serious violation of state or

federal law. To the extent consistent with applicable collective bargaining agreements and/or University policy or procedures, interim action may include, but is not limited to, an interim suspension from activities or operations or administrative leave.

Interim actions remain in effect only as long as the applicable office determines there is a need for such action or until the matter has been investigated, adjudicated, or otherwise resolved in accordance with applicable policy or procedure.

4. Advisor or Support Person

Complainants and respondents are entitled to an advisor or support person of their choice to accompany the party to any meeting or proceeding associated with the University's hazing policy. The advisor or support person is not permitted to participate directly in the process. Any person who was involved in the conduct at issue or might be considered a witness in the matter cannot serve as an advisor or support person.

5. Retaliation

Retaliation is prohibited and may constitute separate grounds for disciplinary action. Retaliation is the act of taking adverse action against any person involved in the investigation process or based upon the person's reporting or participation in the process. Retaliation includes behavior on the part of any related person or party.

An individual who believes they have experienced retaliation should contact the CIE or submit a report using the Pitt Concern Connection.

Process of Investigation

1. Review of Initial Report

All allegations of hazing shall be reported to the Pitt Concern Connection. Upon receipt of a report of hazing, the CIE shall initiate an initial inquiry. The inquiry will evaluate whether:

- The report contains information, that if proven by a preponderance of the evidence, would constitute hazing;
- The University has jurisdiction over the respondent and the underlying allegations;
- The matter requires further investigation and review; and
- Other offices should be notified and participate in the review of the allegations.

The CIE may also coordinate its review of any report with the Office of Student Conduct, Student Affairs, Office of Human Resources, or any other school, unit, or department to determine the most effective review and response to any allegation of hazing.

2. Notice of Allegations

If the CIE determines that further investigation is required, it will send a written notice of allegations to the respondent. The notice will include:

- A brief description of the alleged misconduct
- The name and contact information of the assigned investigator(s)
- Whether the respondent may be subject to discipline
- Links to the applicable University policies

If CIE determines that further investigation is not required, the Assistant Vice Chancellor for Compliance, Investigations & Ethics may close the investigation and that decision shall be final, barring new information.

3. Fact Gathering

The University will gather relevant information including documents, photographs, communications, other electronic records as appropriate, as well as other information from the parties and/or witnesses. Fact gathering, including interviews, may occur at any time during the resolution process, prior to a final decision.

During the fact gathering process, CIE will meet with the respondent and any complainants or complaining witnesses. If the respondent accepts or admits responsibility for the conduct alleged during any meeting with the CIE, the matter will be referred to the appropriate decision-maker for determination of sanctions. For student and student organization respondents, the decision-maker shall be designated by the Vice Provost of Student Affairs. For staff, this is the employee's supervisor in collaboration with the Department of Employee and Labor Relations. For faculty, this is the faculty member's direct supervisor or Department Chair.

If the respondent contests the allegation(s), the CIE will proceed with a formal investigation. In addition to the fact gathering referenced above, the complainant, complaining witnesses, and respondent may provide the CIE with a witness list and any relevant information.

Complainants and respondents will be permitted to review a summary of their individual interviews, as well as a redacted summary report containing the information collected from witnesses and other sources. Both parties will be permitted to submit a written response to the summary report and suggest revisions to their interview summary. Such submissions will be due within 10 business days.

Following this review, the CIE will complete its report of investigation, which will include its finding with respect to responsibility or non-responsibility for violations of the Hazing Policy.

4. Outcome

CIE's report of investigation will be provided to the appropriate decision-maker. For cases resulting in a finding of not responsible, the decision-maker will provide any identified parties (respondent and complainants) with written notice that the investigation is complete and of the finding of "not responsible". For cases resulting in a finding of responsibility, the decision-maker will determine the appropriate sanction(s) in accordance with the Hazing Policy. Once a sanction is determined, the decision-maker will notify the parties in writing regarding the conclusion of the investigation and associated sanctions.

5. Appeal

Where the respondent is a student or student organization, they may file a petition for appeal in accordance with the procedures set forth in the Student Code of Conduct for Level II appeals.

Where the respondent is a faculty or staff member, appeals may be made in accordance with the appeal procedures set forth in Section IV.B of University Procedure CS 20, which is incorporated herein by reference.

If the respondent is covered by a collective bargaining agreement, they must appeal via the grievance and arbitration procedure set forth in their collective bargaining agreement, if applicable. They may not utilize the appeal procedures set forth herein unless the grievance and arbitration procedures of their collective bargaining agreement do not apply.

Hazing Education and Prevention Programs

- All new students are required to complete an online education module on hazing prior to arriving on campus. This module includes, among other things, how to recognize hazing and effective ways to keep members of the Pitt community safe.
- The Office of Fraternity and Sorority Life will provide annual hazing prevention training to those officers tasked with recruitment/intake and new member education. All chapters, councils, community stakeholders, and campus partners can request hazing prevention training through the Office of Fraternity and Sorority Life. Hazing recognition and prevention training will be presented at Fraternity and Sorority Life 101 session for all potential new members.
- The Department of Athletics has educational sessions each year with student athletes to discuss the definition of hazing, how to recognize hazing, and how to report incidents to the University. This information is also included in follow-up communications throughout the year to emphasize the importance of recognizing and reporting incidents of hazing.
- Human Resources has educational information available for employees, including Stop Hazing's We Don't Haze Bystander Guide. This includes information on how hazing is defined, how to recognize hazing, and effective bystander intervention strategies.

Safety Q&A

Q. Can I carry a gun on University property as a means of self-protection?

A. No. The carrying or possession of firearms and/or other weapons on University property by anyone other than authorized law enforcement officers, such as Pitt Police or Pittsburgh Bureau of Police, is absolutely prohibited.

Q. How do I report suspected child abuse or sexual misconduct with a child at the University?

A. Anyone affiliated with the University who has reasonable cause to suspect child abuse, including but not limited to sexual abuse, shall make an immediate and direct report to Child Line either electronically at www.compass.dhs.pa.gov/cwis/public/home or by calling **1-800-932-0313**. Immediately thereafter, the individual also must make an immediate and direct report to the Pitt Police or the Office of University Counsel. Retaliation is strictly prohibited against anyone who makes a good faith report of suspected child abuse or who participates in a related investigation.

More information on reporting child abuse is available at pa.gov/agencies/dhs/resources/keep-kids-safe.html.

Reporting to Campus Security Authorities

While the University prefers that community members promptly report all crimes and other emergencies directly to the Pitt Police at **412-624-2121**, the University also recognizes that some may prefer to report to other individuals or University offices. The Clery Act recognizes certain University officials as Campus Security Authorities (CSAs). The act defines these individuals as "officials of an institution who have significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings." In addition to the Pitt Police, persons within the University who are designated as CSAs include housing and residence life staff, the Office of Student Conduct staff, athletic coaches and trainers, security guards and welcome attendants, and faculty advisors to student groups.

Confidential and Anonymous Reporting

Q. Can my report be confidential?

A. The Clery Act allows individuals working at the University as professional and/or pastoral counselors to be exempt from reporting crimes for Clery Act purposes, allowing these individuals to keep reports confidential. Counselors working at the University Counseling Center (UCC) are encouraged to inform those they are counseling of their reporting options through the institution. For more information on scheduling an appointment and the services the UCC provides, please visit the UCC website at studentaffairs.pitt.edu/counseling. Reports made to these confidential resources will not be evaluated for timely warning purposes.

While not confidential, the Pitt Police and the Office of Compliance, Investigations, and Ethics both have anonymous reporting options. Anonymous reports can be made to the Pitt Police using the online reporting form at safety.pitt.edu/police/report/submit-tip or within the Rave Guardian app. Information on downloading the Rave Guardian app can be found at technology.pitt.edu/rave-guardian-app.

The Office of Compliance, Investigations, and Ethics anonymous reporting option is through the Pitt Concern Connection (PCC). The PCC has reporting options through an online reporting form, phone call or through text. The online reporting form, as well as information on the other reporting options through the PCC, can be found at compliance.pitt.edu/make-a-report.

❖ Crime Alerts—Timely Warning

In the event of a reported crime, the Chief of Police or the Chief's designee is responsible for:

- Determining whether a Crime Alert is required,
- Approving the content of the Crime Alert, and
- Coordinating the distribution of the Crime Alert as promptly as reasonably possible to aid in the prevention of similar occurrences.

Determination

Pitt Police will issue an on-campus Crime Alert whenever the following three criteria are met:

- A Clery Act crime is reported;
- The crime occurred within University Clery Geography; and
- There is a serious or ongoing threat to the University community because of that crime.

If these three criteria are met and it is determined by Pitt Police that a serious or ongoing threat exists, a notice will be drafted using crime-specific templates and will be issued by Pitt Police as soon as pertinent information is available.

Content

Crime Alerts will include the nature, date, time and general location of the crime, as well as the type of precautions that individuals should

take to prevent similar occurrences. Crime Alerts do not contain identifying information about the victim(s). At the discretion of the Chief of Police or the Chief's designee, Crime Alerts may include a description of the alleged actor(s).

Distribution

Several methods are used to notify the community about Crime Alerts. All faculty, staff and students will receive Crime Alerts through their Pitt email address. Faculty, staff and students also can register to receive Crime Alerts via text message by signing up at technology.pitt.edu/services/emergency-notification-service.

In addition, Crime Alerts will be posted on the Pitt Police website: safety.pitt.edu/alerts/crime-alerts, and a link will be shared on the Pitt Police Facebook and X (formerly Twitter) accounts. Crime Alerts will remain posted on the Pitt Police website for a period of thirty (30) days. Crime Alerts also may be posted at various University buildings, on University bulletin boards, and reported to the campus media relations office. In the event these communication media are unavailable, alternate distribution may be made through the University's voicemail system or other modes of communication.

Quickest way to see crime alerts?

Sign up for text alerts at safety.pitt.edu/police/services or check out Pitt Police Facebook page at facebook.com/pittpolice and Twitter/X at x.com/PittPolice. You can read more about crime alerts and ENS notifications here: safety.pitt.edu/subscribe-alerts.

Emergency Response and Evacuation Procedures

Training and Testing Procedures

The University of Pittsburgh is proactive in planning and preparing for emergency situations and has developed Emergency Management Guidelines to provide a basic procedural framework for responding to any type of emergency at Pitt. Please review the information on emergency response and other emergency-related information found at safety.pitt.edu/emergency and safety.pitt.edu/safety-resources.

Pitt Police officers have received training in incident command and participate in Active Killer exercises annually. The Pitt Police maintain a 15-member Specialized Emergency Response Team (SERT); SERT officers are certified through the National Tactical Officers Association and they participate in emergency response training on a monthly basis. SERT officers are available 24 hours per day. Members of Pitt's police department provide students, staff and faculty members with educational programs on community response to an active killer situation and other safety issues.

Each fall and spring term, the University's Emergency Notification Service is tested with an evaluation and documentation of the test, including whether the test was announced or unannounced, is maintained at the police department. At least one test will include messaging, with a website link, on where to find additional information about emergency response and evacuation procedures. Evacuation and/or shelter-in-place exercises are conducted in both academic and residential buildings; at least two unannounced emergency evacuation exercises are conducted for each University-owned residence hall, fraternity house, and residential apartment building during every academic year. Evacuation exercises are used to educate and train building occupants on issues specific to their building. During the exercises, building occupants practice emergency procedures and familiarize themselves with the location of exits and the sound of the emergency alarm. A description of each exercise, date and time of exercise, and evaluation of the exercise is maintained by Pitt Police and Environmental Health and Safety officials. The University has an emergency preparedness coordinator/fire safety specialist to enhance preparedness of the Pitt community through the careful conduct and tracking of drills and exercises.

Each year, members of the University community conduct planned tabletop exercises that test and evaluate the University's emergency response and evacuation procedures. Emergency executives, police, and key University personnel, along with external support agencies (such as City of Pittsburgh police, firefighters and paramedics) participate in these exercises, which address evacuation or shelter-in-place of buildings on a campuswide scale. At the conclusion of the exercises, Pitt produces a summary of its emergency response and evacuation testing.

Emergency Notification Service (ENS)

Upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees, Pitt's Emergency Notification Service (ENS) will be activated without delay, unless activation will—in the professional judgment of responsible authorities—compromise efforts to assist victims, or to contain, respond to, or otherwise mitigate the emergency.

The Pittsburgh campus Emergency Executive (EE) or EE's designee will confirm emergencies through in-person evaluation of the situation by Pitt Police, phone call or electronic communications with first responders and emergency response officials and/or other methods deemed appropriate for the situation by the EE or EE's designee. Through these communications, the EE or EE's designee, in collaboration with the Chief of Police or chief's designee, will determine if the emergency poses an immediate threat to the health or safety of the University community. If it is determined that an immediate threat exists, the EE and the Chief of Police or their designees will authorize Pitt Police dispatchers to send an Emergency Notification (ENS) message to the campus community, which will contain the type and location of the emergency and instructions community members need to follow. Pre-scripted ENS messages will be maintained by Pitt Police for use in appropriate situations. Emergency officials involved in confirming and/or monitoring the emergency will assist the Chief of Police or chief's designee in developing specific content for ENS messages. Depending on the type, size, and severity of the emergency, ENS distribution may be limited to university members that are affected by the Emergency.

Emergency Evacuation Guidance and Information

The following pertains to any unexpected emergency alarm requiring evacuation from the building. First and foremost is protecting your life. Remain calm and evacuate. Follow exit signs and use stairs.

Proceed to the short-term assembly area and remain there until emergency responders indicate that the building is safe for reentry. Upon reentry, it is encouraged that occupants utilize the stairs (when possible) to avoid overloading an elevator.

Faculty, staff, and students who are not capable of complying with the evacuation procedures, or who may have special needs or recognized disabilities, should contact the Department of Environmental Health and Safety for development of an Individual Evacuation Plan. Copies of these plans are maintained with Pitt Police for use by emergency responders.

The Chief of Police or chief's designee, in coordination with the EE or EE's designee, will determine which segments of the community need to be notified. Follow-up ENS messages will be distributed as the situation develops.

ENS messages are distributed to faculty, staff, and students through their Pitt email address. Students are automatically registered to receive ENS messages via text. Faculty and staff can sign up to receive ENS messages through text and/or voicemail. Instructions for registering for these services can be found at technology.pitt.edu/services/emergency-notification-service.

The ENS system is one aspect of a layered approach to notification. Other notification methods such as officer presence, website alerts, and local television and radio broadcasts may be used depending upon the circumstances. The University will use these other notification methods to keep the broader community informed of the emergency situation. See Pitt policy AO 07 policy.pitt.edu/ao-07-campus-crime-awareness-crime-reporting-crime-alerts-and-emergency-notification for further details.

**RAVE**Guardian

**The RAVE Guardian app
is your one-stop campus
safety app.**

It lets you:

- **Contact Pitt Police**
- **Set safety timers**
- **and more!**

pitt.ly/downloadRAVEapp

University of
Pittsburgh

safety.pitt.edu

Use Your Smartphone to Enhance Campus Safety

Install the **Rave Guardian app** as an added way to ensure the safety of you and your friends on campus.

- **Submit Safety Tips and Concerns**
Submit safety tips and/or concerns, anonymously if you prefer, to the Pitt Police via text message. Your tips can even include photo attachments.
- **Never Walk Alone**
Use the "Safety Timers" feature to alert friends/family when you are walking alone. Set a fixed time for your departure and arrival, and your friends/family will be notified when you arrive or get an alert if you don't check-in or arrive on time.
- **Connect with Friends and Guardians**
Invite trusted friends and family to join your safety network.
- **Contact Safety Officials**
Use the app to call or text police. Text conversations can be helpful if you are in a situation where you are uncomfortable or unable to speak. If you've set up your profile in advance, it also displays the details you've provided to the police dispatcher.
- **Important Resources**
The "Phone Directory" feature has important University phone numbers programmed to call directly, including Pitt Police, University Counseling Center, Student Health Services, and Title IX. The "Helpful Websites" feature contains links to various University websites for information and assistance.

For more information, visit technology.pitt.edu/rave-guardian-app.

Preparing for Disruptive and Catastrophic Events

Disruptions can occur at any time, and it is critical to be prepared and have plans in place to ensure the continued operation of the institution. Pitt's UPitt Ready business continuity planning system can assist departments to develop these procedures before disaster strikes.

What exactly is business continuity planning?

The goal of business continuity planning is to enable the University of Pittsburgh to maintain operations and services in the face of a disruptive or catastrophic event. The longer an institution takes to recover, the greater damage it sustains to its reputation.

At Pitt, UPitt Ready is a web-based continuity planning tool to create useful, thoughtful plans to ensure each unit's ability to continue its critical functions if an incident occurs.

The software facilitates dialogue between key department figures in an interview-style questionnaire to help capture institutional knowledge and protocol. By joining, you will gain an understanding of the critical functions of the department and the resources required to support those functions that will be documented in a centralized location.

Why is business continuity planning so important?

- UPitt Ready will help you plan for major disasters—such as the total loss of a building—but it puts planning in perspective and makes it more likely that crisis response will run smoothly in the case of an unforeseen scenario. It can be used as a tool for onboarding new staff during a period of major personnel changes.
- The tool helps you list out critical department function contacts and online programs used that could be a useful tool for those new to the department.
- It helps focus the department on its mission goals. It can be used as a refresher of the organization's priorities by facilitating small groups that think through the scenarios that affect your department, keeping in mind the goals you have set internally.

For more information on business continuity planning and how you can get started, visit safety.pitt.edu/emergency/continuity-planning, or you can reach out to Pitt's business continuity coordinator, Shelby Zapf, at shz280@pitt.edu.

Shelter in Place or Lockdown?

In an emergency, you may be instructed to shelter in place or lockdown. Here's what each one means:

Shelter in Place

Shelter-in-place events could be weather-related emergencies, environmental emergencies, or other hazardous conditions in the community.

- Seek shelter indoors, preferably in interior rooms or corridors.
- Your building occupancy handbook can help identify safe locations.
- Do not lock doors; others may also need to seek shelter.
- Do not use elevators. Avoid windows and glass doors.

While sheltering in place, resist the urge to check on the conditions yourself and wait for a follow-up "all clear" ENS message.

Lockdown

Lockdowns are a response to an immediate physical threat to the campus community. Most campus buildings, such as residence halls, have the ability to be remotely locked by the University of Pittsburgh Police.

- The exterior doors will remain locked, and you will not be able to enter.
- You will hear an automated message broadcast throughout the building for five cycles that repeats every hour during the incident.

- If you find yourself locked out of your office or residence, leave the area and move as far away from the incident as you reasonably can.
- Follow the directions broadcast over the Emergency Messaging Service.

If you're in an independently owned or operated building in the Oakland area, retreat to a safe area, then lock or barricade the doors.

During lockdowns, only let in police or other uniformed first responders. Do not come out and wait for a follow-up "all clear" ENS message.

These are general guidelines that will help you to remember what to do in the event of a shelter-in-place or lockdown event on campus, but each situation may present unique challenges. The most important aspect in both a shelter-in-place and lockdown event is to put effective barriers between you and the threat.

The actions taken in the initial minutes of an emergency are critical. Plan ahead and know your options. If you become aware of an emergency before receiving an official alert, take action to make sure you are safe, and contact emergency responders by dialing 911, or by contacting the University of Pittsburgh Police Department directly at 412-624-2121.

For more information, please visit safety.pitt.edu/emergency/emergency-resources/shelter-place-lockdown.

Panic Buttons

Most university classrooms are equipped with automatic locks and/or panic buttons in the case of an active threat or emergency. These devices, when pressed, notify the Pitt Police communications center that the device has been activated, along with the location of the device, and emergency responders are immediately sent to that location to investigate the alert. For more information, please visit safety.pitt.edu/safety-resources/panic-buttons.

❖ Security of and Access to Campus Facilities

The University of Pittsburgh has installed and maintains exterior lighting around all of its buildings, including additional sidewalk and street lighting. While maintaining an attractive campus, ground crews keep shrubs and hedges low for safety reasons, especially in places such as bus stops.

On any normal workday, there are scores of Pitt support personnel whose jobs include providing inspection of the entire campus and its buildings to discover and correct health, safety, and maintenance problems. They work, in addition to Pitt Police and others who tour campus, to report safety-related problems to the Office of Facilities Management, which responds to correct these problems promptly.

As part of their duties, Office of Residence Life staff members continually report security and maintenance matters. Emergency maintenance and housekeeping services are available 24 hours a day.

University Buildings and Programs

Pitt building hours of operation vary depending on the controlling department for that space. Some buildings are open to the public during specific hours, such as the Cathedral of Learning and the William Pitt Union, while others require card swipe access at all times, such as the Fitzgerald Field House. To see the hours of operation for each building, please visit safety.pitt.edu/isd/building-hours.

Athletic facilities always require a Panther Card ID at all times for admittance. Additional security personnel staff major events such as athletic contests.

❖ University of Pittsburgh Police Department Community Response/Active Killer Incident

Purpose: Recommended safety measures for ongoing and immediate life-threatening incidents involving hostile suspects

Considerations:

- Individuals must use their own discretion about when they must engage a hostile suspect for survival.
- Do not attempt to apprehend or interfere with the suspect except for self-protection.
- Contact authorities as soon as it is safe to do so. Call extension **4-2121** (from on-campus phone) or **412-624-2121**. Have these numbers programmed into your cell phone.
- Report location, number of suspects, and description if possible.
- Make the determination of whether to run, hide and barricade or fight and commit to it.
- **Run:**
if there is an escape path, attempt to evacuate. Evacuate whether others agree to or not.
 - Leave belongings behind.
 - Help others escape if possible.
 - Prevent others from entering area.

- **Hide:**
if evacuation is not possible, find a place to hide and barricade.
 - Lock and/or blockade the door.
 - Silence your cell phone.
 - Hide and barricade behind large objects.
 - Remain very quiet.
 - Your hiding place should be out of the suspect's view, provide protection from shots fired in your direction, and not trap or restrict your options for movement.
- **Fight:**
as a last resort and only if your life is in danger.
 - Attempt to incapacitate the suspect.
 - Act with physical aggression.
 - Improvise weapons.
 - Commit to your actions.

When Law Enforcement Arrives:

- Remember that the police will act first to neutralize the threat.
- Remain calm and follow instructions.
- Keep hands visible at all times.
- Avoid pointing or yelling.
- Know that help for the injured is on its way.

Visit the University of Pittsburgh Police website at safety.pitt.edu/emergency/emergency-resources/active-killer-situation and watch the **Run, Hide, Fight** video, funded by the U.S. Department of Homeland Security. The video is available in English, Spanish, and Chinese.

Living at Pitt

The University of Pittsburgh Police Department, Office of Residence Life, Panther Central and Housing Services work cooperatively to provide resident students with a safe and secure environment. It is important that students and staff work together to enhance the quality of life and safety in all University housing.

To accommodate graduate and undergraduate students during the academic year, the University maintains nearly 8,500 residential beds in a variety of spaces: residence halls, fraternity houses, apartment-style buildings and off-campus apartment buildings. Types of accommodations include singles, doubles, triples, quads, suites and apartments.

Most campus buildings—including housing facilities—contain card access systems; systems can be monitored by Pitt Police personnel. Pitt police officers are responsible for security within all resident living areas in their respective patrol areas, and they patrol on foot inside all residence halls, apartment-style buildings and University-owned housing.

Residence Hall Security

When you move into a residence hall, you receive information about campus safety and residence hall security, such as:

- Whom to call in case of an emergency;
- What procedures to follow in case of a fire evacuation;
- What to do if you are locked out of your room;
- How to mark valuables;
- Visitation, alcohol and drug policies; and
- General campus safety, among other topics.

At students' first floor meeting, which is mandatory and held by the resident assistant or community assistant, you can acquaint yourself with unique aspects of your residence hall community and the security practices you can follow to make your University environment safer.

Entrances to all residence halls have desks staffed by welcome attendants who control access 24 hours a day and seven days a week while school is in session. Each year, Pitt trains welcome attendants in University security and fire safety procedures.

In addition to welcome attendants, security doors at the entrances are monitored by an electronic access system.

Residence Life Staff

- Area coordinators (ACs), resident directors (RDs), and more than 180 student staff—resident assistants (RAs) and community assistants (CAs)—staff the living areas of the residence halls. RDs supervise the RAs.
- ACs, RDs and RAs/CAs undergo comprehensive training before and during each school year. This training includes how to live safely and responsibly in a community including how to address various emergencies, such as: mental health and medical emergencies, fire evacuation, reports of sexual misconduct, conflict de-escalation, disorderly conduct, bias incidents, vandalism, etc.
- There is a residence life staff member on call 24 hours a day for the residence halls. RAs and RDs are on duty every evening, including weekends, while classes are in session, to assist students in any manner.

Panther Central

Panther Central, located in the main Litchfield Towers lobby, **412-648-1100**, is available 24 hours a day to assist you in contacting the residence life staff. Panther Central Express in the lobby of Sutherland Hall is available Monday–Friday, 10 a.m.–6 p.m. RAs also provide security assistance within the building by touring their areas during weekday evenings and on weekends.

Security Features in Students' Rooms

Every accommodation within the residence hall has its own hard key lock or Panther Card access electronic lock. When using a key card, it is encoded for the student's building and room only. The card is required to open the door. If using a key, the keys are coded with core numbers rather than room numbers so that a lost key cannot be identified with a particular room. Therefore, the University strongly

advises that students do not attach their IDs to their keys. Residents also should lock their doors and windows at all times and carry their keys with them. Campus telephones also are provided in each residence hall corridor.

Guest Sign-in Procedures

Q. How can I sign in a guest to my residence hall?

A. To enter a residence hall, residents must show their Pitt ID, which is electronically validated for their residence hall, and all guests must have a photo ID. Visitor IDs must be scanned upon entering and exiting the residence hall, and visitors must be escorted by the resident they are visiting at all times while they are in the building.

Q. When may guests visit me?

A. Students must establish and regulate room visitation hours with their roommates. Roommate approval is required for visitors at any time. Students may refer to the Residential Handbook for guest and visitation rules.

Q. What happens if my guest commits a violation?

A. Residents will be accountable for rule infractions for all visitors/guests, including those scanned in by the resident, as well as all visitors/guests within a resident's accommodation.

Guests Other than Visitors of Residents

Guests, other than visitors of residents, may occupy residence halls when space is available during the summer, approximately May 15 through July 31. These guests include participants attending Pitt-sponsored academic or social programs and groups that have an educational or academic purpose.

Housing Assignments and Requests for Changes

The Housing/Dining Services contract is valid for both the fall and spring terms. Students should be prepared to meet successive deposit due dates in future years to maintain any housing guarantee.

Students who would like to live in University-owned housing for the next academic year participate in a process each February to determine eligibility and the order in which they will select housing for the next year. First-year students who respond to Pitt's offer of admission by the May 15 due date and meet all required deadlines and deposits are guaranteed housing for three years. The University assigns resident students based upon the information provided in their contracts and the availability of the requested accommodations. Panther Central and Office of Residence Life staff process and approve room change requests, contingent upon available space.

If roommates are having difficulty sharing a room, they should first try to communicate with each other to resolve any issues, as well as complete or revisit the Roommate/Suitemate Agreement completed at the beginning of the year or when the roommate relationship began. If those attempts are unsuccessful, the residents meet with the resident assistant to discuss the issue and resolve any roommate situations. If the outcome of that conversation is a room change, the RD will assist in facilitating the process as space becomes available.

Missing Student Protocol

In keeping with federal law, 20 U.S.C. § 1092j, the Office of Residence Life will initiate the following missing student notification protocol. Each student living on campus can list a missing persons contact by completing an emergency contact form available at the Office of Residence Life. When a student is reported missing, residence life staff will immediately contact the Pitt Police. The Pitt Police will attempt to notify the missing persons contact within 24 hours to verify if the person is missing or has voluntarily left their residence.

To report a suspicion that a student is missing, contact should be made with the student's resident director, the Office of Residence Life, the Office of the Vice Provost for Student Affairs, or the University of Pittsburgh Police Department. If you know a student is missing, contact the Pitt Police immediately.

- Each student living on campus has the opportunity to list a missing persons contact by completing an emergency contact form available at Panther Central or updating their emergency contact information within their housing application. Pitt will treat the named emergency contact as the missing persons contact unless otherwise specified by the student. The student should notify the missing persons contact and, if different, the emergency contact, that they have been so designated.
- In the event of a determination that a student is missing, the Pitt Police will attempt to notify the listed contact within 24 hours. Even if a contact is not registered, the Pitt Police should be notified immediately if the student is missing.
- At any point during a student's enrollment, a student may choose to register or change missing person contact or emergency contact information with the University through their student record through their my.pitt account, and accessing Peoplesoft. This information will be maintained in student records accessible by University staff who will implement this protocol.
- Residence life staff, or other employees having knowledge of a missing student, whether or not that student lives on or off campus, will immediately contact the Pitt Police when a student is reported missing.
- The Pitt Police will be responsible for filing all related missing person reports with other agencies as may be required and conduct an investigation. Pitt Police will be responsible for contacting the local law enforcement agency within 24 hours of making the determination that a student is missing. In general, Pitt Police will consider a person to be missing if they have not been located within 24 hours of receiving the initial report.
- No later than 24 hours after a student is reported missing, the Pitt Police or its designee will be responsible for contacting the appropriate contact.
- The Pitt Police will notify a parent or legal guardian no later than 24 hours after a student is determined to be missing if a student is under the age of 18 and not emancipated.
- Residence Life staff will serve as support personnel when a student is determined missing and make appropriate contacts within the University (University Counseling Center, Office of the Vice Provost for Student Affairs, academic dean of student's school, and Pitt Police).

Housing During Breaks and between Terms

Residence halls are closed during the winter recess with the exception of Lothrop, which accommodates 12-month housing students.

NOTE: Pre-approved students who have signed a separate Winter Recess Housing contract may remain in their residence hall accommodation for winter recess. During holidays when the University is open, apartment-style on-campus housing also remains open. Pitt Police continue to patrol resident living areas. Students should attend to security needs during these periods, particularly the storage of any valuable items.

University-owned Apartment Housing

The University operates 432 apartment units in north and central Oakland and Shadyside. University-owned apartment housing is occupied almost exclusively by Pitt students, primarily by graduate and professional school students and their families. All multi-unit buildings have a paging system for visitors, and most front doors lock electronically. Pitt police and/or city police patrol University-owned apartment housing areas.

The Pitt Police and the Pittsburgh Police regularly share crime information as it relates to University-owned apartment housing.

Non-campus Student Organizations

The Pitt Police and the Pittsburgh Police share information regarding criminal activity at facilities maintained by Pitt's non-campus student organizations.

Safety Abroad

The health and safety of students studying and traveling abroad is a primary concern for those who lead Pitt's overseas programs. All students earning academic credit from a global experience attend at least one mandatory orientation program with staff from the Pitt Global Experiences Office. This program covers subjects such as personal safety, health, insurance, alcohol and other drugs, emergencies abroad, crime, and security. All faculty leading global programs participate in a Best Practices for Health, Safety, and Security Workshop for Faculty On-site Directors led by the director of the Global Experiences Office. More information is available at globalexperiences.pitt.edu/safetysecurity.

Police and Residence Life Programming

The University of Pittsburgh offers a number of crime prevention and security awareness programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others. As students prepare to come to Pitt and arrive on campus, the Office of Residence Life and members of the Pitt Police meet with families and students to provide information on personal safety and residence hall security. Programs include the following:

- A one-credit personal defense class is offered each term by the University's Department of Health and Physical Activity in which students can learn to become streetwise and acquire observation skills enabling them to escape a potential attacker.
- The Self-Defense Awareness and Familiarization Exchange (SAFE) is a two-hour educational crime awareness, crime victim prevention program that encompasses strategies, techniques, options, and prevention information for students, staff, and faculty. SAFE instructors also address bystander intervention and personal safety involving the use of alcoholic beverages. Police officers who are trained as instructors offer this program a minimum of 10 times per year.
- Pitt Police officers present Active Killer Training upon request to staff and faculty. This training is modeled after the U.S. Department of Homeland Security video Run, Hide, Fight, which offers tips to the campus community on how to survive an active killer or workplace violence incident. The program is offered upon request; officers conduct this program multiple times per term.
- The University of Pittsburgh has partnered with Bike Index, the nation's largest and most effective bike registration service, to provide a simple and secure way to maintain your bike details and help authorities locate stolen bikes. Register your bike at pts.pitt.edu/mobility/biking/register-your-bike.
- The See Something, Say Something campaign is a collaborative effort to encourage students, staff, and faculty to report any and all suspicious activity to either the Pitt Police or the Pittsburgh Bureau of Police. Throughout the year, posters are distributed to various campus buildings for display and the campaign is broadcast on the information televisions located in various academic and public buildings throughout the campus.
- Various programs are offered to first-year students and their families during Welcome Week. These programs include The Tipping Point, Bystander Intervention Training, and parent discussion panels. Attendees are given campus safety tips, how to help others in need of assistance, the University's Medical Amnesty procedure, information about the Rave Guardian App, and other information regarding safety while on campus.
- Each fall term, the Department of Environmental Health and Safety hosts a Fire Safety Day for students, staff, and faculty. Staff members are available at this event to answer questions regarding fire safety, and it includes interactive demonstrations on how to properly use fire extinguishers.

TIP!

Safety Training

From bike safety to personal self-defense classes, Pitt Police officers offer a variety of crime prevention and safety programming to students, faculty, and staff.

For more information, visit the Pitt Police website at safety.pitt.edu/police or call the Pitt Police administrative number at **412-624-4040**.

- Various times throughout the year, the Pitt Police Community Programs team participates in Coffee with a Cop program. This allows the entire University community to connect with the Pitt Police in a relaxed and open setting.
- Every fall and spring term, the Pitt Police host the Citizens Police Academy. The goal of the University of Pittsburgh Police Department's Citizens Police Academy is to expand partnerships between citizens and police through training and education. The University of Pittsburgh Police Citizens Police Academy is a unique 10-week program designed to educate the public about the criminal justice system and provide insight about everyday police work.

In addition to seminars, safety information is distributed to the campus community through crime alerts and emergency notification messages, which can be found on the Pitt Police website at safety.pitt.edu/police.

Staff Council Campus Safety Crawl

The Campus Safety Crawl is a campus-wide safety walk led by members of the Staff Council's Staff Life committee and representatives from the Pitt Police, various Pitt offices, and Oakland community organizations. The purpose of the Crawl is to identify and highlight pedestrian, vehicular and bicycle safety issues across Pitt's campus. In addition to the actual walk, we have created an online survey to reach those who may not have been able to make it, or who have an office outside of the main Pittsburgh campus. The Campus Safety Crawl takes place at least once a year. For information about the safety crawl, please email Staff Council at sc@pitt.edu.

Environmental Health and Safety Programs

The University's Department of Environmental Health and Safety (EH&S) provides training on many topics related to safety, fire safety, lab safety, and the environment. EH&S coordinates, conducts, and evaluates emergency evacuation exercises in each residence hall twice per year. EH&S also prepares, upon request, individual emergency evacuation plans for students who have impairments that may prevent compliance with University-wide emergency plans. Those in need of an individualized plan should contact EH&S at 412-624-9505 or safety@ehs.pitt.edu.

SafeRider

Pitt's SafeRider provides point-to-point transportation service for individuals with valid Panther Cards who are not on one of the campus transportation system's fixed routes but are within SafeRider service boundaries.

Hours of operation are:

- Fall/Spring Term Hours: Sunday through Saturday **9 p.m.-3 a.m.**
- Summer Hours: Monday through Friday **9 p.m.-3 a.m.**

Individuals should use the fixed-route system and only request SafeRider service when shuttle service is not available. For service boundaries and to request service, download and use the TransLoc App during SafeRider hours of operation. There is a 25-ride limit per term.

Walking Escort Service

The Walking Escort Service allows any student or faculty or staff member leaving the Hillman Library (and William Pitt Union) to be accompanied by a security guard to certain locations within walking distance, including student living facilities, or to a bus or shelter stop.

- The escort will be provided by an Allied Universal Security officer working on the ground floor of the Hillman Library to locations within walking distance.
- Anyone needing to get to the upper campus will be escorted to a shuttle or bus stop. The guard will wait with you until your transportation arrives.
- Anyone using the service must first present a valid Pitt ID.
- The service is provided from 8 p.m. to 6 a.m. on Sunday through Thursday, and from 8 p.m. to 10 p.m. on Friday and Saturday.

For more information, please visit safety.pitt.edu/safety-resources/

Obtaining Crime and Safety Information

In accordance with the Pennsylvania Uniform Crime Reporting Act and the federal Jeanne Clery Campus Safety Act, all University of Pittsburgh students and employees receive updated security information annually. The University also makes information about campus crimes and security available in a variety of other ways that include the following:

- Pitt provides all prospective students and employees with information on security policies and procedures and how to obtain additional security data.
- Students receive an electronic notification that explains their personal responsibility to be knowledgeable about the Student Code of Conduct (Code) and the Residential Handbook, as well as a link directing them to the Office of Student Conduct website, where they can review the current versions of the Code: studentaffairs.pitt.edu/conduct.
- Security concerns also may appear in the student newspaper, The Pitt News.

The University also has numerous crime prevention workshops and seminars throughout the year on the Pittsburgh campus. These are sponsored by the Pitt Police, Office of Residence Life (for resident students), Student Government Board, Interfraternity Council and Panhellenic Association, Pitt Program Council, the Office of Student Conduct, and other departments and organizations on campus.

Campus Environment by the Numbers

Some facts about your campus environment:

More than 250 custodians

31 groundskeepers

79 skilled tradespersons

40 operating engineers on duty and on call

24 hours a day, 7 days a week, 365 days a year

Environmental Health and Safety (EH&S) Services

Besides fire safety and emergency preparedness, EH&S provides students with guidance on multiple topics including recycling and laboratory safety. To learn more about EH&S and its services, visit safety.pitt.edu/ehs.

How to Report a Maintenance Problem

If the maintenance problem exists in a non-housing/dining facility, call the Office of Facilities Management at **412-624-9512** or visit fm.pitt.edu.

If the maintenance problem exists in a housing/dining facility, resident students can fill out a Housekeeping Maintenance Request form online at pc.pitt.edu/maintenance-requests-0 describing any potential hazard or maintenance problem that needs to be corrected or repaired. For assistance, call Panther Central directly at **412-648-1100**.

Accessing Campus Crime Reports

The Pitt Police department prepares a daily log of all reported criminal incidents, as well as all fires reported to have occurred in on-campus University housing, and publishes that log on the police website at www.safety.pitt.edu/police/local-crime#log. This log contains the nature, date, time, and general location of each crime, as well as its disposition, if known. This log also is available in person at the Jerome Cochran Public Safety Building, 3412 Forbes Avenue, Monday through Friday 8 a.m.–4 p.m.

Q. Where can I find crime reports?

A. In addition to website accessibility, the daily crime log is reported to The Pitt News for dissemination to the Pitt community.

Q. What other crime reports are available?

A. Crimes reported to the Pitt Police department are submitted monthly to the Pennsylvania State Police for inclusion in the Uniform Crime Report. The Pitt Police also submit an annual report of crime statistics to the U.S. Department of Education; statistics are gathered from the following sources:

- Pitt Police
- City police and UPMC hospitals in the Oakland area
- Office of Student Conduct, Office of Residence Life, Student Health Services, the Office of Civil Rights and Title IX, Office of the Dean of Students, and other applicable University officials who have significant responsibility for campus life and activities
- The City of Pittsburgh has an online website for crimes reported to the Pittsburgh Bureau of Police. The Pittsburgh Bureau of Police interactive crime map can be found on their website at pittsburghpa.gov/Safety/Police/Police-Data-Portal.

Q. Do any reports show Pitt's crime statistics over a longer period?

A. Yes. In compliance with Chapter 3 of the Pennsylvania Uniform Crime Reporting Act and the federal Jeanne Clery Act, the Pitt Police generate a three-year statistical report, which is included in this publication. This report is distributed to all current students, staff, and faculty, while prospective students and employees are notified of its existence, where to find the report online and afforded an opportunity to request and receive a paper copy.

2024 Pittsburgh Campus Annual Disclosure of Crime Statistics

Megan's Law Information and Criminal Records

Under the federal Campus Sex Crimes Prevention Act, any person who is required to register with the commonwealth as a sex offender under Pennsylvania's Megan's Law requirement must notify the state if they are employed or are enrolled as a student at a college or university. The law also requires institutions of higher education to advise the campus community how to obtain information on current registered sexual offenders and predators residing within the campus community. Information regarding registered sex offenders residing in the Oakland area may be obtained by visiting the Pennsylvania Megan's Law website at meganslaw.psp.pa.gov/Home/TermsAndConditions.

Q. Does Pitt screen prospective students for criminal history?

A. Some graduate school applicants are asked about their criminal history, and federal law requires certain disclosures on financial aid forms.

Student athletes may be required to disclose information in accordance with NCAA rules and regulations.

Q. Does Pitt screen current or prospective employees for criminal history?

A. The Office of Human Resources conducts background screening for all prospective staff and certain faculty members. Certain prospective employees are also screened in state and federal criminal records databases and the state child abuse registry consistent with the requirements of Act 153. Certain positions, such as those involving hazardous materials, require additional background checks. Pitt will not offer employment to applicants if they have criminal histories that disqualify them from the requirements of the position they are seeking.

Total Students, Faculty and Staff FTE.	43,139.2

① All figures are for the Pittsburgh campus, fall 2024.

② Associates includes research and postdoctoral associates.

The Jeanne Clery Campus Safety Act mandates the manner in which crime statistics are to be collected and the format in which the statistics shall be published. In addition to incidents reported to the University of Pittsburgh Police Department, statistics include offenses that were reported to the Pittsburgh Bureau of Police and to Pitt officials having significant responsibility for student and campus activities. Pitt officials who have contributed statistical information include, but are not limited to, Vice Provost of Student Affairs; faculty advisors to student groups; residence life staff; athletic administrators, coaches and trainers; student health personnel; subcontracted security guards; and student conduct staff.

In accordance with the Jeanne Clery Act, crime statistics are collected and reported in the following geographical categories:

- **On-campus:** (1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of or in a manner related to the institution's educational purposes, including residence halls; and (2) Any building or property that is within or reasonably contiguous to the area identified in paragraph (1), that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or retail vendor).
- **On-campus Student Housing Facility:** Any student housing facility that is owned or controlled by the institution or is located on property that is owned or controlled by the institution and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility. The On-campus Student Housing category is also a subset of the On-campus category.
- **Non-campus Building or Property:** (1) Any building or property owned or controlled by a student organization that is officially recognized by the institution (i.e., privately owned fraternity); or (2) Any building or property owned or controlled by an institution that is used in direct support of or in relation to the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.
- **Public Property:** All public property, including thoroughfares, streets, sidewalks, and public parking facilities, that is within the campus or immediately adjacent to and accessible from the campus.

We encourage community members to review City of Pittsburgh crime information, in addition to the University's Clery Act crime statistics. The City of Pittsburgh crime information can be viewed online at pittsburghpa.gov/Safety/Police/Police-Data-Portal. This includes an interactive map for crimes reported to the City of Pittsburgh Police.

Definitions of Clery Act Reportable Crimes

Criminal Offenses

Murder/Manslaughter: Defined as the willful killing of one human being by another.

Manslaughter by Negligence: Defined as the killing of another person through gross negligence.

Sexual Assault: Under the Violence Against Women Act (VAWA), the definition of sexual assault is an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting (UCR) program. Per the National Incident-based Reporting System User Manual from the FBI UCR Program, a sex offense is "any sexual act directed against another person without the consent of the victim, including instances where the victim is incapable of giving consent." The VAWA definition of sexual assault includes rape, fondling, incest, and statutory rape.

In Pennsylvania, with the exception of rape and involuntary deviate sexual intercourse, a person commits the crime of sexual assault when that person engages in sexual intercourse with a complainant without the complainant's consent.

Rape: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of the victim's age or because of the victim's temporary or permanent mental incapacity.

Incest: Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape: Sexual intercourse with a person who is under the statutory age of consent.

Robbery: Defined as taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: Defined as an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: Unlawful entry of a structure to commit a felony or a theft.

Motor Vehicle Theft: Theft or attempted theft of a motor vehicle.

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes

The University is committed to maintaining an environment free from unlawful discrimination or harassment and the reporting of incidents enables the University to assess the campus climate and promptly respond to incidents. Together, we can work to maintain an educational and work environment that is free from unlawful harassment and discrimination. Hate crimes are especially cruel, and the University will prosecute offenders under the law and/or its conduct processes.

Categories of Prejudice: Disability, Ethnicity, Gender, Gender Identity, National Origin, Race, Religion, Sexual Orientation

For Clery Act reporting purposes, hate crimes include the criminal offenses described previously on this page, in addition to the four crimes listed below, that manifest evidence that the victim was intentionally selected because of the perpetrator's bias against the victim based on one or more of the following categories of bias: race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, or disability.

Larceny/Theft: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. This includes pocket picking, purse snatching, shoplifting, theft from building, theft from motor vehicle, theft of motor vehicle parts or accessories, and all other larceny.

Simple Assault: Unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism to Property (except Arson): To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Arrests and Disciplinary Referrals

Liquor Law Violations: The violation of state and/or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, or possession or use of alcoholic beverages.

Drug Abuse Violations: The violation of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use.

Weapons Law Violations: The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.

Violence Against Women's Act (VAWA) Offenses

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family laws of the Commonwealth of Pennsylvania, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Pennsylvania does not have a specific statute for domestic violence; those incidents are categorized as simple or aggravated assaults or other applicable offenses.

Dating Violence: The VAWA definition of dating violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

Pennsylvania does not have a specific statute for dating violence; those incidents are categorized as simple or aggravated assaults or other applicable offenses.

Stalking: The VAWA definition of stalking is engaging in a course of conduct directed at a specific person that would cause a reasonable person to (a) fear for the person's safety or the safety of others, or (b) suffer substantial emotional distress. For the purposes of this definition, (a) course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person's property; (b) reasonable person means a reasonable person under similar circumstances and with similar identities to the victim; and (c) substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

In Pennsylvania, a person commits the crime of stalking when the person either: (1) engages in a course of conduct or repeatedly commits acts toward another person, including following the person without proper authority, under circumstances which demonstrate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person; or (2) engages in a course of conduct or repeatedly communicates to another person under circumstances which demonstrate or communicate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person.

Notes for the Jeanne Clery Act Statistics Report (Chart I)

- a. Statistics in these categories depict arrests for all liquor, drug, and weapons law violations and include both student and nonstudent arrests. Students arrested for these violations are typically referred to the Office of Student Conduct.
- b. A report is considered unfounded and removed from crime statistics when sworn or commissioned law enforcement officers have fully investigated the crime report and have determined that report to be false or baseless.

Notes for the Pennsylvania Uniform Crime Reporting Act Statistics Report (Chart II)

- Under Uniform Crime Report (UCR) Part I Crimes guidelines, the crime of Rape includes Rape, Attempted Rape, and Sexual-Assault.
- Under UCR Part II Crimes guidelines, Assaults-Non-aggravated include simple assaults as well as harassment incidents involving a threat to assault.
- Under UCR Part II Crimes guidelines, Sex Offenses (excluding Prostitution and Rape) include Indecent Assault and Indecent Exposure.
- All Other Offenses (except traffic) include, but are not limited to, trespass and violation of city ordinances.

Chart I contains the statistics for those offenses reported to the University of Pittsburgh Police Department, the Pittsburgh Bureau of Police, UPMC security, and University personnel who have significant responsibility for student life and campus activities.

Chart II contains the statistics for those offenses reported to the University of Pittsburgh Police Department only as recorded for the Uniform Crime Report (UCR). These UCR statistics are derived, in part, from patrol areas in community areas not adjacent to campus. Statistics for UCR are reviewed on a monthly basis and submitted to the Pennsylvania State Police.

Chapter 3 of the Pennsylvania Uniform Crime Reporting Act requires the release of crime statistics and crime rates to students and employees, and it requires that those statistics be available to applicants and new employees upon request. The crime rate is determined by a formula specified by the Uniform Crime Reporting Act and is calculated by dividing the number of reported crimes by the number of full-time equivalent (FTE) students and employees, then multiplying that number by 100,000.

TOTAL PART I AND II OFFENSES	360	834.51	343	812.55	249	606.16

① Please note: The crime rate is based on the actual number of full-time equivalent (FTE) students and employees, which is calculated according to a state-mandated formula. The index in the table above is based on incidents reported per 100,000 FTEs.

Policies on Alcohol and Drugs

Enforcement of State, Local and Federal Laws

The University of Pittsburgh enforces all state and local laws regarding the possession, use, transportation, and sale of alcoholic beverages, including those prohibiting underage drinking, and local laws prohibiting an open container of alcohol in public. The University also enforces all state and federal laws concerning illegal drugs. Anyone who is apprehended by the Pitt Police in possession of, using, or selling illegal drugs is subject to arrest. If a University student commits the offense, the Pitt Police may also refer the individual to the Office of Student Conduct, where the student could face sanctions up to and including dismissal from the University.

Here are some ways the University upholds legal requirements concerning alcohol use:

- Pitt restricts the use of alcohol at events involving groups within the University community.
- In the residence halls, only residents of the building who are 21 years old or older may bring in alcoholic beverages. There are strict limits on the amount of alcohol these residents may bring into their assigned room.
- Pitt offers alcohol-free residence halls, including Amos Hall, Brackenridge Hall, Litchfield Tower A, Litchfield Tower B, Bruce Hall, Forbes Hall, Sutherland Hall, Holland Hall, and Mark A. Nordenberg Hall.

University Policies Regarding Alcohol and Drug Use

To implement its commitment to provide a drug-free environment for its students, faculty, and staff, the University of Pittsburgh prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on University property or as part of any University activity. Pitt complies with the Drug Free Schools and Communities Act and the Drug Free Workplace Act (DFSCA).

In compliance with the DFSCA, the University distributes an annual notification containing information regarding local, state, and federal laws, as well as University policies related to the possession, use, and/or sale of alcoholic beverages and/or illegal drugs. This notice also includes information about the dangers of drug and alcohol abuse and available alcohol and drug counseling, rehabilitation and assistance available to students, staff and faculty. The full Drug-Free Schools and Communities Act annual notifications can be found online. The student version is posted on the Office of Student Conduct webpage, studentaffairs.pitt.edu/conduct/. The employee version is posted on the Human Resources webpage, hr.pitt.edu/current-employees/employee-labor-relations/workplace-postings. The University also distributes information about the dangers of drug and alcohol abuse and available alcohol and drug counseling, rehabilitation, and assistance to all students, faculty, and staff through mailings, electronic newsletters, social media, and videos.

Drug and Alcohol Education Programs

All incoming students are required to complete EverFi health education modules including AlcoholEdu—an online prevention and education program. AlcoholEdu seeks to empower students by providing information to help navigate issues that college students may face including alcohol safety and responsible decision-making. For more information on this program, please visit studentaffairs.pitt.edu/health-education-and-promotion.

The University also offers several education programs for students through The Office of Health Education and Promotion including the PEAR (Personal Education, Assistance and Referral) 1 and 2 programs and Personal Assistance and Cannabis Education (PACE) 1 and 2. These courses seek to:

- Increase awareness of the implications of alcohol or other drug use and the role these substances play on the college campus;
- Increase understanding of how the misuse of alcohol and other drug use can impact a student, including possible impacts on their health, relationships, and academics;
- Help to identify and refer students who may be struggling with substance use to resources and assistance; and
- Challenge students to evaluate their use of, or involvement with, alcohol or other drugs and to learn responsible decision-making skills.

These programs may be sanctioned by Office of Student Conduct as part of disciplinary action. However, students also can complete these programs voluntarily. For more information on PEAR 1 and PEAR 2, or PACE 1 and PACE 2, please visit studentaffairs.pitt.edu/student-health-services/health-education-and-promotion/sanctioned-education-courses. Students also can call the Office of Health Education and Promotion at **412-383-1830**.

Medical Amnesty

The University of Pittsburgh's primary concern is for the health, safety, and well-being of students. All students are expected to seek immediate assistance for themselves or others in situations where someone is experiencing an emergency due to alcohol or other drug use. In situations where emergency assistance is requested, Medical Amnesty may apply. To read more about Medical Amnesty, please review the Student Code of Conduct, which can be found at studentaffairs.pitt.edu/conduct.

Assistance with Alcohol or Substance Use

Q. What are some other resources I can access for help with alcohol or substance use?

A. The Wellness Center at the University of Pittsburgh offers several programs and services for students who may wish to address alcohol and other substance use. Services include education, recovery support, treatment, and counseling services. Services can be found through:

- The Office of Health Education and Promotion: **412-383-1800**
- The Collegiate Recovery Program: **412-383-1800**
- Student Health Services: **412-383-1800**
- The University Counseling Center: **412-648-7930**

For more information, please contact the Wellness Center by phone at **412-383-1800**.

Staff and Faculty may contact Life Solutions for assistance. Information regarding Life Solutions and the services they provide can be found online at hr.pitt.edu/current-employees/work-life-balance/lifesolutions.

TIP!

Training Upon Request

Student Health Services offers training on alcohol and other substances for students, faculty, and staff through its Office of Health Education and Promotion.

Call **412-383-1800** for more information.

Sexual Assault and Sexual Harassment, Dating and Domestic Violence, and Stalking

Prohibition of Sexual Assault, Sexual Harassment, Dating and Domestic Violence, and Stalking

The University of Pittsburgh values the safety and health of all members of the Pitt community and seeks to foster an environment in which its students and employees treat other persons with respect, civility, and dignity. Any behavior that involves sexual assault or harassment, relationship (dating and domestic) violence, or stalking of another person is prohibited.

Such behavior may result in criminal charges if reported to the Pittsburgh Bureau of Police or Pitt Police department and/or University disciplinary action if the Office of Compliance, Investigations and Ethics investigates a complaint. The University will use the processes outlined in the Title IX Policy and Sexual Misconduct Policy to investigate and resolve reports of sexual assault, harassment, relationship (dating and domestic) violence, and stalking. In cases involving sexual assault, the University understands that the survivor (Complainant) may request confidentiality. In these situations, the University may not be able to honor a survivor's request in order to provide a safe, non-discriminatory environment for all community members, including the survivor. The University's ability to meaningfully investigate the incident and pursue disciplinary action against the alleged perpetrator(s) may be limited when a survivor requests and is granted confidentiality.

Accused students or employees (Respondents) should know that the initiation of any University proceeding does not preclude the possibility of criminal charges. In fact, parallel University and criminal proceedings are not uncommon.

In addition to using these processes, the University will continue to engage in prevention programs and training for students, faculty and staff in an effort to prevent sexual assault and harassment, relationship (dating and domestic) violence, and stalking. The Office for Institutional Engagement and Wellbeing houses the University's sexual violence prevention office. This office was founded in the spring of 2020 and works to engage faculty, staff and students in education regarding consent, healthy relationships, bystander intervention strategies and support resources. The University Counseling Center provides counseling to survivors of sexual assault, assists survivors in obtaining medical care, and offers support in all aspects of the recovery process. The Office for Institutional Engagement and Wellbeing and Student Health Services work in partnership to respond to incidents of sexual violence and to actively engage the campus in prevention activities.

More detailed information about these programs, processes, and procedures can be found in the Student Code of Conduct and at www.wellbeing.pitt.edu/civil-rights-title-ix.

What is Consent?

The University defines consent as an informed, affirmative decision made freely and actively by all parties to engage in mutually acceptable sexual activity. Consent is given by clear words or actions and may not be inferred from silence, passivity, or lack of resistance alone. Existence of a current or previous dating, marital, and/or sexual relationship is not sufficient to constitute consent to additional sexual activity. Consent to one type of sexual activity does not imply consent to other types of sexual activity. Consent can be withdrawn at any time by any one party.

Someone who is unconscious, asleep, or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition, cannot give consent. Consent cannot be obtained by force, intimidation, threat, coercion, isolation, or confinement. Agreement obtained under such conditions does not constitute consent. A person's use of alcohol and/or other drugs does not eliminate responsibility to obtain consent.

For definitions of sexual assault, dating violence, domestic violence, and stalking, see **pages 22 and 23**.

Consent in Reference to Sexual Activity under the Pennsylvania Crimes Code

Pennsylvania does not specifically define "consent." However, a person commits a felony of the first degree when the person engages in sexual intercourse with a complainant:

- (1) By forcible compulsion;
- (2) By threat of forcible compulsion that would prevent resistance by a person of reasonable resolution;
- (3) Who is unconscious or where the person knows that the complainant is unaware that the sexual intercourse is occurring;
- (4) Where the person has substantially impaired the complainant's power to appraise or control his or her conduct by administering or employing, without the knowledge of the complainant, drugs, intoxicants or other means for the purpose of preventing resistance; or
- (5) Who suffers from a mental disability which renders the complainant incapable of consent. 18 Pa.C.S.A. § 3121.

"Forcible compulsion" is defined as "compulsion by use of physical, intellectual, moral, emotional or psychological force, either express or implied. The term includes, but is not limited to, compulsion resulting in another person's death, whether the death occurred before, during or after sexual intercourse." 18 Pa.C.S.A. § 3101.

Further, resistance is not required. The alleged victim need not resist the actor in prosecutions under this chapter: Provided, however, that nothing in this section shall be construed to prohibit a defendant from introducing evidence that the alleged victim consented to the conduct in question. 18 Pa.C.S.A. § 3107 rainn.org/laws-your-state-pennsylvania

Prevention and Awareness Programs

The University has a comprehensive array of prevention and educational programs aimed at ending sexual assault and harassment, relationship (dating and domestic) violence, and stalking.

Peer Education

There are two organizations, SAFE and PantherWELL with well-trained students that provide peer-to-peer educational programming.

SAFE (Sexual Assault Facilitation and Education)

The SAFE program is sponsored by the sexual violence prevention office within the Office for Institutional Engagement and Wellbeing. Trained peer educators present workshops to fellow students on topics including consent, healthy relationships, supporting survivors of sexual misconduct, bystander intervention and campus resources. The workshops are designed to provide students with the skills necessary to safely intervene in situations that could lead to violence, harassment or a bias incident. Available SAFE workshops include: Bystander Intervention, Supporting Survivors of Sexual Violence, Talk Dirty to Me (affirmative consent), and Healthy Relationships.

Learn More: www.wellbeing.pitt.edu/sexual-misconduct-prevention/safe-peer-educators

PantherWELL

PantherWELL Peer Health Educators, who are part of the Office of Health Education and Promotion in Student Health Services, conduct health and wellness programs on campus, including those focused on alcohol safety, bystander intervention training, stress management, and other health and wellness topics.

www.studentaffairs.pitt.edu/student-health-services/health-education-and-promotion/wellness-workshops-outreach

New and Transfer Students

Incoming students are required to attend mandatory programs during Welcome Week, where students are provided with information regarding University policies, expectations, and virtual resources.

Relationship Violence Awareness Month

A variety of programs occur each fall term for Relationship Violence Awareness Month with the goal of supporting survivors and providing education aimed at eradicating sexual misconduct on Pitt's campus.

Sexual Assault Awareness Month

A variety of programs occur each spring term for Sexual Assault Awareness Month with the goal of supporting survivors and providing education aimed at eradicating sexual misconduct on Pitt's campus.

New and Ongoing Employee Education

Provided through both online and in-person modules, employees receive training on prevention and reporting sexual misconduct at orientation and on an annual schedule.

University Police Seminars

Members of Pitt Police are trained in responding to and investigating sex offenses, domestic violence, and stalking incidents. The Pitt Police provide special programs on sexual assault and other safety issues to student groups upon request.

Community Speakers

Pittsburgh Action Against Rape, the Women's Center and Shelter, and SETPoint provide regular training for University community members.

Bystander Intervention

First-year students are required to attend active bystander training, which plays an important role in helping to prevent sexual assault, harassment and bias incidents. Some examples include:

- speaking up when someone discusses plans to take sexual advantage of another person;
- confronting people who seclude, hit on, or attempt to engage in sexual activity with people who are incapacitated;
- calling for assistance when you are concerned about a person's safety or wellbeing.

Sexual Assault Task Force

This group of interested student leaders, staff, and faculty convenes monthly to discuss issues related to sexual assault, and to develop programs that can effect change and create a climate of safety on campus.

Frequently Asked Questions for Survivors of Dating Violence, Domestic Violence, Sexual Assault or Stalking

Q. What should I do if I am a survivor of dating violence, domestic violence, sexual assault or stalking?

- A.** Survivors of dating violence, domestic violence, sexual assault or stalking may feel traumatized or blame themselves and are reluctant to seek help and proper medical care; it is not the survivor's fault. If an individual has been the survivor of sexual assault, dating violence, domestic violence, and/or stalking, or think they may have been, there are several options for reporting the incident and for obtaining the information, assistance, and support needed for all aspects of recovery, both emotional and physical.

IMMEDIATELY AFTER AN INCIDENT

Physical Safety: Your immediate safety is a top priority. As quickly as possible, find a safe place away from the perpetrator or any other potential danger.

- You are encouraged to seek immediate medical attention for your own physical health and to preserve all physical evidence. You can receive treatment at any medical facility; hospital emergency departments are in the best position to treat you and collect physical evidence.
- **Contact the University Counseling Center** at **412-648-7930** (8:30 a.m.-5 p.m., Monday through Friday) or **412-648-7856** (after 5 p.m. and on weekends). The University Counseling Center will advise survivors of reporting options, will guide students through the process of receiving a medical exam, and will assist survivors in notifying campus or local police authorities if desired.
- **Contact a Care Advocate** at **412-624-5756** or careadvocates@pitt.edu. Care Advocates are a resource who work with you to explore your needs and strategize how to meet them. Talking with a Care Advocate lets you explore all your options and be personally connected to relevant resources. **Care Advocates are NOT responsible reporters to Title IX** but can provide information on the Office of Civil Rights and Title IX reporting process if requested. Care Advocates are located in suite 907 of William Pitt Union; drop-in hours and appointments are posted on the Care Advocate website at studentaffairs.pitt.edu/care-and-resources/care-advocates.
- **Contact the Police:** You are strongly encouraged to call the Pitt Police department **412-624-2121** or the Pittsburgh Police at **911** and report the situation.

Q. Does contacting the police mean I have to press charges?

- A.** No. You have the right not to press charges if you call the Pitt Police. However, in the event of a safety concern to the survivor and/or campus community, Pitt Police have an obligation to investigate. Pitt Police will report any incidents of dating violence, domestic violence, sexual assault and stalking to the Office of Civil Rights and Title IX in the Office for Institutional Engagement and Wellbeing.

Q. If I report an incident of dating violence, domestic violence, sexual assault, or stalking, will my name become public? What happens to the information?

- A.** The University does not release the names of survivors. After reviewing the report, Pitt Police may determine there is a serious or on-going threat to the community and may issue a campus Crime Alert. These alerts will not include any personally identifying information about the survivor. Security personnel will file an anonymous record of any on-campus assault among Pitt's crime statistics in order to give an accurate representation of crime on campus and to help prevent further crimes of this nature.

Q. Do I have to get medical attention?

A. Although you are not required to seek medical care, it is highly recommended. Taking care of yourself physically is an important role in the healing process. You may have internal or external injuries as a result of an assault that require medical care. Additionally, you may want to explore options for emergency contraception and testing for and treating sexually transmitted infections (STIs) and/or pregnancy. Student Health Services has staff that can assess pregnancy risk; test and treat for STIs; and assess, treat, and/or offer referrals for physical injuries.

Reporting Options

Several options are available for you to report sexual misconduct, including sexual harassment, relationship (dating and domestic) violence, sexual assault, and stalking.

- You may file a complaint with the Office of Civil Rights and Title IX. This office generally investigates complaints of sexual misconduct against members of the University community, including faculty, staff and students. You may contact the Office of Civil Rights and Title IX at titleixcoordinator@pitt.edu or **412-648-7860**. The Office of Civil Rights and Title IX can assist with reporting to law enforcement, if requested. Individuals also may decline to notify law enforcement.
- You may file a report through the Pitt Concern Connection compliance.pitt.edu/make-a-report.
- You may file a criminal complaint by contacting the proper law enforcement agency. Both Pitt Police and City Police can assist with obtaining Protection from Abuse (PFA) or Protection from Sexual Violence and Intimidation (PSVI) orders. pcadv.org/policy-center/pennsylvania-laws/protection-from-sexual-violence-intimidation/ Contact information is listed below:
 - **PITT POLICE:** (Pitt Police can assist with notifying City Police) Jerome Cochran Public Safety Building (in-person) 3412 Forbes Avenue Pittsburgh, PA 15260
 - police@pitt.edu (this email is not monitored 24/7) safety.pitt.edu/police/report/submit-tip (online reporting form) Rave Guardian app (online reporting form) **412-624-2121**
 - **Pittsburgh Bureau of Police** City police station locations and information can be found online at pittsburghpa.gov/police/police-report. (in-person), **(911)** The city police do not accept complaints online.
- Although the University encourages complainants to make formal reports as outlined above, you may file an anonymous report using the Pitt Concern Connection at compliance.pitt.edu/make-a-report, the report form on the Pitt Police website at safety.pitt.edu/police/report/submit-tip, or through the Rave Guardian app.

Preserving Physical Evidence

In the aftermath of a traumatic incident, although it may not be foremost on your mind, the preservation of evidence is strongly encouraged. Even if you do not think you want to pursue a criminal or civil proceeding, preserving evidence keeps your options open in case you change your mind. Preserving evidence also can assist you with obtaining a Protection from Abuse or Protection from Sexual Violence and Intimidation order. To preserve evidence, do not shower, douche, or change clothes or bedding before you seek medical attention. Also, if oral contact took place, do not brush your teeth, smoke, or eat. Optimally, evidence collection should occur within 72 hours of the assault, but it is ok if it is beyond 72 hours. There are medical facilities in Oakland that can assist you:

UPMC Magee-Womens Hospital

Emergency Room, 300 Halket Street, Pittsburgh, PA 15213

412-641-4933

UPMC Mercy

Emergency Room, 400 Locust Street, Pittsburgh, PA 15219

412-232-8111

Magee-Womens and Mercy are staffed with sexual assault nurse examiners, registered nurses who have completed specialized education and clinical preparation in the medical forensic care of the patient who has experienced sexual assault or abuse. Hospital emergency rooms are best equipped to collect physical evidence of a sexual assault. Your best source of immediate medical help is the nearest hospital emergency room. All hospitals are required by law to report to the police any injury that is the result of a crime. This does not obligate you to file formal charges. Completing a forensic exam does not require a survivor to talk to police or prosecute the offender.

Individuals who have experienced sexual assault can get a forensic medical exam at no cost to them. You may choose to have your insurance billed or to have Pennsylvania's Victims Compensation Assistance Program cover the costs [pccd.pa.gov/Victim-Services/Pages/Victims-Compensation-Assistance-Program-\(VCAP\).aspx](https://pccd.pa.gov/Victim-Services/Pages/Victims-Compensation-Assistance-Program-(VCAP).aspx).

In addition to evidence collected from a forensic medical exam, survivors should take steps to preserve other forms of evidence, including, but not limited to:

- Save unwashed clothing and/or sheets.
- Take screenshots of social media posts.
- Save text messages, emails and other forms of electronic contact.
- Keep in mind if you decide to change phone numbers, some saved data, such as text messages, may no longer be accessible. Back up any data you may want to access later to another device.
- Ask friends/family to save text messages, emails, call logs, and other forms of electronic contact they received.
- Take photos of bruises and/or other injuries.
- Save and/or take photos of damaged property.
- Save any other evidence that may show a pattern of behavior or course of conduct.

Counseling and Medical Services and Other Available Support

Seeking emotional support in the aftermath of dating violence, domestic violence, a sexual assault, or a stalking incident can be very important for recovery. The following departments are available for counseling, medical, and other support needs.

University Counseling Center

The University Counseling Center (UCC) offers specialized counseling services designed to assist students who have experienced sexual assault, dating violence, domestic violence, harassment, and stalking. The office also can assist with referrals to specialized counseling services off campus. Additional counseling resources include Pittsburgh Action Against Rape, **1-866-363-7273**.

Care Advocates

Care Advocates are a resource who work with you to explore your needs and strategize how to meet them. Talking with a Care Advocate lets you explore all your options and be personally connected to relevant resources. **Care Advocates are NOT responsible reporters to Title IX** but can provide information on the Office of Civil Rights and Title IX reporting process if requested. Care Advocates are located in suite 907 of William Pitt Union; drop-in hours and appointments are posted on the Care Advocate website at studentaffairs.pitt.edu/care-and-resources/care-advocates.

Student Health Services

Pitt's Student Health Services provides ongoing confidential medical treatment for any physical problems related to an assault. Student Health Services can assess for pregnancy risk; provide counseling about emergency contraception; test and treat for sexually transmitted infections; and assess, treat, and/or offer referrals for physical injuries. Student Health Services is located in the Wellness Center in Mark A. Nordenberg Hall, 119 University Place, **412-383-1800**.

Life Solutions

Life Solutions is the University of Pittsburgh's Faculty and Staff Assistance Program that provides a broad range of services to assist University employees, including a 24/7 crisis contact and counseling services at **1-866-647-3432**.

Additional Resources

Pitt students can contact their resident assistant, resident director, or other residence life staff member for support (available 24 hours a day). Residence Life staff are not confidential resources and have a duty to report disclosures of sexual misconduct to the Office of Civil Rights and Title IX. **412-648-1200** (or **412-648-1100** for after hours on-call personnel).

Any member of the University community also may contact the Office for Institutional Engagement and Wellbeing at **412-648-7860** or titleixcoordinator@pitt.edu to report sexual misconduct or seek resources.

International students may contact the Office of International Services (OIS) for questions or concerns regarding immigration and visa status. OIS can be reached at **412-624-7120** or OIS@pitt.edu.

Process for Adjudicating Complaints of Sexual Assault and Sexual Harassment, Dating Violence, Domestic Violence, and Stalking

The University's full policies and procedures regarding reports of sexual harassment, dating violence, domestic violence, sexual assault and stalking can be found at the following links:

Sexual Misconduct Policy (CS 20)

policy.pitt.edu/cs-20-sexual-misconduct-formerly-06-05-01

Title IX Policy (CS 27)

policy.pitt.edu/cs-27-title-ix-policy

Jurisdiction

The University of Pittsburgh has the authority to take disciplinary action for conduct occurring on or off campus when the conduct, among other things, affects the educational and work environment. University officials will provide a prompt, fair, and impartial investigation and resolution.

Standard of Evidence

All complaints filed with the Office of Civil Rights and Title IX will be judged using the preponderance of the evidence standard, which means, it is more likely than not that University policy has been violated.

Process Determination

When any report alleging discrimination, dating violence, domestic violence, sexual assault, sexual harassment or stalking is received by the Office of Civil Rights and Title IX, the report will be reviewed by the Title IX Coordinator and referred to the Office of Compliance, Investigations and Ethics for initial inquiry and investigation if appropriate.

A determination will be made as to whether the allegations, if true, constitute Sexual Harassment under the University's Title IX Policy (CS 27) or if the allegations constitute any other form of sexual misconduct or discrimination under one or more separate University policies (including University Policy CS 20, Sexual Misconduct and University Policy CS 07, Nondiscrimination, Equal Opportunity, and Affirmative Action). If it is determined that the report involves a potential violation of University policy, the process of reviewing, investigating, and adjudicating the allegations will proceed in accordance with the appropriate University policy and procedure.

The University may also proceed with an investigation and resolution of any reported acts of sexual harassment, sexual assault, relationship (dating and domestic) violence, or stalking if the University determines that such an investigation and resolution are necessary to ensure the safety and well-being of University community members. In cases in which the Respondent's conduct may pose a threat to the University community, the University may impose an emergency removal that occurs immediately and that lasts until the matter is resolved.

In addition, the Respondent(s) may face criminal charges through a separate criminal process, if so initiated by the authorities.

Seeking Protective Measures

Depending on the circumstances, you may have the option, among other remedies, to obtain no-contact orders, seek room or course changes, file an applicable University complaint, and pursue criminal complaints. For more information and assistance, you can contact:

Pitt Police: 412-624-2121

The Office of Civil Rights and Title IX: 412-648-7860

Care Advocates: 412-624-5756

Office of Student Conduct: 412-648-7910

University Counseling Center: 412-648-7930

Supportive Measures, Accommodations, and Resource Assistance for Complainants and Respondents

Upon receipt of a report of sexual harassment, dating violence, domestic violence, sexual assault, or stalking, whether the Complainant decides to move forward with filing a Formal Complaint, the Office of Civil Rights and Title IX shall offer to the Complainant supportive measures and facilitate the implementation of such supportive measures to protect the safety and well-being of the Complainant. If a formal complaint is filed, supportive measures will also be made available as appropriate to any involved party. The University will maintain as confidential any supportive measures provided to the parties, to the extent that maintaining such confidentiality would not impair the University's ability to provide the supportive measures. Such measures or accommodations may include:

- Issuing a No Contact Order
- Changes in University-related class or work schedules or job assignments
- Changes in University-owned housing
- Interim University housing suspension
- Interim suspension
- Interim separation
- Restricting a person's access to certain University facilities or activities pending resolution of a matter
- Assistance with connecting to the University's SafeRider program
- Academic accommodations
- Assistance with contacting the appropriate police department
- Access to counseling and mental health services

- Access to and assistance with obtaining necessary medical services
- Assistance in contacting community resources such as Pittsburgh Action Against Rape or other support services
- Guidance and support with filing a report through the Office of Civil Rights and Title IX and/or through the criminal justice process
- Any other interim measure or accommodation necessary and appropriate to facilitate the complainant's or respondent's access to educational opportunities.

Warning Signs of Abuse

No victim is ever to blame for being assaulted or abused. Below are some warning signs of potential abusive behavior:

- Being isolated from friends and family
- Watching what you say to avoid a "blow-up"
- Hiding bruises or injuries from family and friends
- Being afraid of your partner
- Being forced to do things that you don't want to do
- Having your partner monitor where you go, what you do, and who you meet

If you do not want to call the police after an incident but feel the need to leave the current environment, Pitt's SafeRider program may be able to offer you transportation back to your residence through the TransLoc app. More information about SafeRider can be obtained at pts.pitt.edu/mobility/shuttle-services/saferider. Community resources include Pittsburgh Action Against Rape (PAAR) at **1-866-363-7273** (answers 24 hours a day) and the Women's Center & Shelter of Greater Pittsburgh at **412-687-8005** (answers 24 hours a day). Both groups provide an advocate/escort to accompany victims through the medical and/or legal process. Students who seek assistance from these organizations are not obligated to press charges against the assailant.

Process for Adjudicating Title IX Policy Complaints (University Policy CS 27)

Sexual Harassment is defined as conduct on the basis of sex occurring in the United States and occurring in or related to a University Education Program or Activity that satisfies one or more of the following: (1) An employee of the University conditioning the provision of an aid, benefit, or service of the University on an individual's participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University's Education Program or Activity; or (3) Sexual assault, dating violence, domestic violence, or stalking (as these terms are defined in Policy CS 27).

Please Note: Other forms of sexual harassment and sexual misconduct that are not otherwise included in this definition are still considered misconduct in violation of University policy under Policy CS 20 (formerly 06-05-01).

Initial Response to a Formal Complaint

The University intends to resolve Formal Complaints of Sexual Harassment in a reasonably prompt manner, though delays in the process may arise from time to time. When a Formal Complaint is filed, the University will examine, adjudicate, and/or resolve the matter consistent with Policy and Procedure CS 27.

NOTICE OF FORMAL COMPLAINT

Upon receipt of a Formal Complaint alleging Sexual Misconduct, the Office of Compliance, Investigations and Ethics will provide written notice to any known Complainant(s) and Respondent(s) outlining the following:

- Policy CS 27 and Procedure CS 27
- The allegations potentially constituting a violation of Policy CS 27, including identification of Complainant(s) and Respondent(s), the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known.
- The standard of evidence being the preponderance standard, as well as a statement the Respondent is presumed not responsible (but that this presumption does not imply that the allegations did not occur or that a Respondent is truthful or that a Complainant is lying).
- The right of both parties to have an Advisor of choice.
- The right of both parties to review evidence consistent with this Procedure.
- The relevant section of the Student Code of Conduct and/or University policies and guidelines related to knowingly making false statements or knowingly submitting false information.

The written notice shall be provided to Respondent and Complainant at least five (5) business days prior to any initial interview conducted by an investigator related to the Formal Complaint for parties to have sufficient time to prepare for the initial interview.

In addition to the notice of Formal Complaint, all applicable parties shall receive notices of any additional allegations discovered and/or investigated in the course of the investigation of the Formal Complaint, as well as the date, time, location, participants, and purposes of any live hearing or other proceeding at which the party is expected or permitted to attend.

EMERGENCY REMOVAL

Under extraordinary circumstances, the University may remove a Respondent prior to adjudication of any Formal Complaint under this Policy if, after undertaking an individualized safety and risk analysis, the University determines that the Respondent poses an immediate threat to the physical health or safety of any individual arising from the allegations of Sexual Harassment. When issuing an emergency removal, the University will provide the Respondent with notice and an opportunity to challenge the decision immediately following the removal.

INITIAL INQUIRY

Upon receipt of a Formal Complaint alleging Sexual Misconduct, the Office of Compliance, Investigations and Ethics will conduct an initial inquiry, as discussed in Policy CS 27. If the Formal Complaint contains allegations that constitute Sexual Harassment, those allegations will be resolved consistent with Policy CS 27 and Procedure CS 27. It should be noted that an investigation may reveal facts or circumstances not otherwise known at the time of the initial report or of filing of the Formal Complaint. If any facts or circumstances relevant to the evaluation of the Formal Complaint are discovered as the matter proceeds, it may be necessary for the Office of Civil Rights and Title IX and the Office of Compliance, Investigations and Ethics to reevaluate which University policy is appropriate and applicable to the matter. To the extent a matter is determined to fall under a different policy than that which was originally believed to be applicable, the parties and other additional individuals, as appropriate, will be notified and the matter will proceed under the University procedure corresponding with the appropriate University policy in accordance with that evaluation.

DISMISSAL OF FORMAL COMPLAINT

If a Formal Complaint contains allegations that do not constitute Sexual Harassment as defined in Policy CS 27 or otherwise does not meet the requirements of Policy CS 27, the Formal Complaint or individual allegations therein will be "dismissed" under this Policy. A Formal Complaint or individual allegations therein may be "dismissed" under this Policy for reasons including, but not necessarily limited to the following:

- if the conduct alleged does not constitute Sexual Harassment;
- if the conduct alleged was not within or otherwise related to a University Education Program or Activity;
- if the conduct alleged did not occur against a person in the United States; or
- if the Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint or allegation(s) therein.

If a Formal Complaint or individual allegations therein are “dismissed,” the allegation will still be examined to determine whether it is appropriate to adjudicate under a separate University policy (including University Policy CS 20 (formerly 06-05-01) Sexual Misconduct and University Policy CS 07 (formerly 07-01-03), Nondiscrimination, Equal Opportunity, and Affirmative Action).

APPEALING DISMISSAL OF FORMAL COMPLAINT

When a Formal Complaint is “dismissed” under this Policy, the University will notify the parties in writing and will provide the reasons for the “dismissal.” Within ten (10) business days upon being provided written notice for the “dismissal”, either the Complainant or the Respondent can appeal the “dismissal” on any of the following bases:

- (1) Procedural irregularity that affected the outcome of the matter;
- (2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; or
- (3) The Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter.

The appeal of a dismissal of a Formal Complaint or allegations therein will be reviewed by an individual designated by the Title IX Coordinator who is appropriately trained and who was not involved in the original determination leading to the dismissal of the Formal Complaint or allegations therein. If the appealing party cites to any conflict of interest or bias on the part of the Title IX Coordinator as a basis for the appeal, the Vice Chancellor for Institutional Engagement and Wellbeing shall be responsible for designating the individual who shall review the appeal.

INFORMAL RESOLUTION

At the election and agreement of the Complainant(s) and Respondent(s), the University will facilitate an Informal Resolution of the Formal Complaint unless otherwise prohibited (i.e. when the Complainant is a University Student and the Respondent is a University employee). This process can be pursued at any time prior to a determination of responsibility of the Formal Complaint. Informal Resolutions will be appropriate processes crafted by the parties in consultation with the Office of Civil Rights and Title IX. Once the parties agree upon using the Informal Resolution process, the parties will receive notice of the process agreed upon and both Complainant and Respondent will sign and submit a consent form to proceed through the Informal Resolution process. Once the signed consent forms are submitted, the parties must continue with the Informal Resolution process until the matter is resolved, and the parties will not be able to withdraw or alter the terms of the agreed upon Informal Resolution process (parties can, however, withdraw from the Informal Resolution Process at any time prior to agreeing to the Final Informal Resolution and resume the Formal Grievance Process as outlined herein). Parties will not have any opportunity to appeal any result of an Informal Resolution.

FORMAL GRIEVANCE PROCESS

i. Investigation

An assigned investigator shall gather evidence and witness statements related to the allegations in the Formal Complaint. The assigned investigator shall not be the Title IX Coordinator, the Decision-Maker, or the Appellate Decision-Maker.

The investigation will involve the collection and review of relevant evidence, including documents, electronic data, tangible objects, and/or any other material pertinent to the allegations. All available evidence shall be identified and documented. Where possible, all available evidence shall be collected and maintained in electronic format. Both Complainant and Respondent will have an equal opportunity to present evidence to the investigator.

The investigation will involve the identification and interviewing of witnesses with relevant information. Both Complainant and Respondent will have an equal opportunity to suggest witnesses to be interviewed. Neither the investigator nor the Decision-Maker may access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the applicable party provides voluntary, written consent to do so for the purposes of a grievance process.

The Complainant and Respondent are permitted to bring one Advisor of their choice and one Support Person of their choice to any/all meetings with the investigator. Neither Advisors nor Support Persons are permitted to participate in any meetings with the investigator, but they can be present for the counsel and support of the party.

ii. Review of Evidence

Prior to the completion of the investigative report, the investigator shall provide both Complainant and Respondent with an equal opportunity to inspect and review any evidence that is directly related to the allegations in the Formal Complaint that is obtained as part of the investigation (including witness summaries), regardless of whether that evidence is deemed relevant by the investigator. Parties will be permitted to submit to the investigator a written response to the evidence for the investigator to consider. This written response is due ten (10) business days from the date upon which the parties were provided access to the evidence referenced above.

iii. Investigative Report

At the conclusion of the investigation and, after reviewing the written submission of the parties (if any), the investigator shall prepare an investigative report. The report shall fairly summarize the allegations and all relevant evidence. The report shall also include a description of the procedural steps taken during the investigation, including notifications sent to parties, interviews, site visits, and methods used to gather evidence. Once complete, the investigative summary will be provided to the Decision-Maker as well as both the Complainant and the Respondent (and their

Advisors of choice). Parties will be permitted to submit to the Decision-Maker a written response to the investigative summary. This written response is due ten (10) business days after the date upon which the parties were provided the investigative summary. The hearing shall take place no sooner than one (1) business day after the written responses to the investigative summary are due to the Decision-Maker.

iv. Hearing

A live hearing will take place related to the allegations of Sexual Harassment. The live hearing shall follow procedures and rules of decorum outlined by the Office of Civil Rights and Title IX and provided to the parties and their Advisors prior to the hearing.

The hearing may be conducted in-person or, at the election of either party or the discretion of the University, virtually, so long as both parties and the Decision-Maker can, at all times, see the witness and/or individual speaking. The only individuals permitted to attend the live hearing are the Complaint(s), Respondent(s), the parties' respective Advisors, witnesses, the Decision-Maker, any other person required by the University to conduct the hearing, and any other person required by law. A recording (either audio or audio-video) or a transcript of any live hearing will be made available to the parties for review.

The hearing is overseen by the Decision-Maker, who will make a determination as to whether the Respondent is responsible for violating Policy CS 27. The Decision-Maker shall not be the Title IX Coordinator, the investigator or the Appellate Decision-Maker.

For purposes of the hearing, parties can bring an Advisor of their choosing. If a party declines to select an Advisor, the University will assign one for the hearing. At the hearing, parties, through their Advisors, will have the opportunity to cross-examine all witnesses and the other party. Note: direct cross-examination conducted by a party is not permitted; all cross-examination must be conducted by Advisors. If a party or witness fails to participate in the hearing or otherwise does not make themselves available for cross-examination, the Decision-Maker is not permitted to consider any statement made by that party or witness (whether at the hearing or during the prior investigation) in reaching a determination. The Decision-Maker cannot draw any inference regarding the responsibility of the Respondent based solely on a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

Only relevant questions may be asked of a party or witness. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless such questions and evidence are offered to prove someone other than the Respondent committed the conduct alleged in the Formal Complaint, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. Questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege are prohibited unless the person holding such privilege has waived the privilege. To the extent the Decision-Maker prohibits any questions as being irrelevant, the Decision-Maker must explain their rationale.

v. Determination of Responsibility

After the hearing is complete, the Decision-Maker will decide, after fairly considering all relevant evidence they are permitted to consider in accordance with this Procedure, by a preponderance of the evidence, the outcome of each allegation in the Formal Complaint concerning whether the Respondent has violated Policy CS 27. The Decision-Maker shall issue a decision on the allegations contained in the Formal Complaint in the form of a written determination of responsibility. The written determination shall include:

- (1) Identification of the allegations potentially constituting Sexual Harassment
- (2) A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- (3) Findings of fact supporting the determination;
- (4) Conclusions regarding the application of Policy CS 27 to the facts;
- (5) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the recipient imposes on the Respondent, and whether remedies designed to restore or preserve the Complainant's equal access to University's Education Program or Activity will be provided; and
- (6) The appeal process.

The written determination of responsibility shall be provided to both the Complainant and Respondent on the same day. The determination of responsibility becomes final either on the date that the written determination regarding the appeal, if any, is provided to the parties, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

vi. Sanctions

If the Decision-Maker determines, by a preponderance of the evidence, that Policy CS 27 was violated, the written determination of responsibility containing all information listed in section III(E)(v) above other than the sanction(s) shall be submitted to the appropriate chair, dean, director, supervisor, responsibility center head, or designee to make a determination regarding the appropriate sanction(s). The appropriate chair, dean, director, supervisor, responsibility center head, or designee will then provide the sanctions determination to the Decision-Maker, who will incorporate the sanctions into the written determination of responsibility before distributing the same to the parties. Sanctions will not be imposed until the grievance process is complete, including, as applicable, until the time for an appeal of the outcome runs out or until a determination is made regarding any such appeal.

Student sanctions for violating the University's Title IX Policy may include the following: disciplinary reprimand, disciplinary probation, disciplinary suspension, disciplinary dismissal, housing probation, housing suspension, housing dismissal, a permanent no-contact-order, permanent restrictions from all or part of campus (Persona Non Grata status) for a portion of or all campus locations, counseling assessment, mandatory trainings or online educational modules, and meeting with Office of Civil Rights and Title IX personnel.

Employees sanctions for violating the University's Title IX Policy may include the following: permanent no-contact orders, mandatory training, suspension of employment, employment reassignment, restrictions from all or part of campus (Persona Non Grata), termination from the University.

vii. Appeals

After the written determination of responsibility is provided to the parties, either the Complainant or Respondent can appeal the determination. Appeals will not involve a full rehearing or a redetermination of the facts of the matter, but will review only whether the decision erred in one of four (4) limited grounds on which an appeal may be filed (collectively referred to as the "Scope of Review"), which are as follows:

- (1) Procedural irregularity that affected the outcome of the matter;
- (2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- (3) The Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome of the matter; or
- (4) The sanction(s) are substantially disproportionate to the severity of the violation.

The Complainant and Respondent shall have ten (10) business days from the receipt of the written determination of responsibility to file a petition for appeal, including a written statement in support of or challenging the outcome by citing to one or more of the specific bases for appeal as the Scope of Review. The appeal petition must include a thorough statement and all facts or evidence which support the appeal. To the extent either party bases all or part of any appeal on an alleged error or conflict of interest on the part of the Office of Civil Rights and Title IX or any other individual involved with the grievance process, the Office of Civil Rights and Title IX shall have the opportunity to respond to the writing within ten (10) business days of being provided with the appeal petition(s).

A panel of three (3) members of the University Review Board ("URB") shall act as the Appellate Decision-Makers. One of the members of the URB shall be deemed the URB Moderator. None of the Appellate Decision-Makers shall be University students, the Title IX Coordinator, the investigator, or the Decision-Maker from the original hearing.

Upon receipt of an appeal petition, the URB shall first determine whether the appeal properly falls within the Scope of Review. If the URB has determined the appeal does not fall within the Scope of Review, the URB shall notify the party that submitted the petition for appeal of that outcome in writing. Where it has been determined that an appeal petition falls within the Scope of Review, the URB Moderator will notify the applicable parties that an appeal has been initiated and will provide all parties with the submitted appeal petition(s) and applicable procedures. The URB may elect to resolve the appeal based solely on the written submissions. To the extent the URB decides that a hearing is necessary or would aid in the resolution of the appeal, the URB shall schedule a hearing and notify all applicable parties.

Once the URB reaches a decision as to the outcome of an appeal (whether based solely on the written submission or after a hearing is held), the URB shall issue a written decision describing the result of the appeal and the rationale for the result. The outcome of the appeal shall be provided to all applicable parties on the same day.

Generally, if the URB finds that an appeal is valid and overturns the outcome of the original Decision-Maker based on appeal basis #1 (procedural irregularity), #2 (new evidence), or #3 (conflict of interest or bias), the Appeals Board will refer the appeal back to the appropriate stage of the grievance process to effectively permit the correction of the error.

Generally, the Appeals Board should complete its work within thirty (30) business days.

RETALIATION

The University strictly prohibits retaliation against anyone involved as a party or witness in the process of adjudicating a Formal Complaint under this Policy. Retaliation includes, but is not limited to, acts on behalf of the University or any person designed to intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this Policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy. The University will investigate all acts of reported retaliation. Complaints alleging retaliation may be filed according to the University grievance procedures as found in Procedure CS 27.

All reports supported by evidence, regardless of the outcome of the underlying Formal Complaint of Sexual Harassment, will be referred for disciplinary action and resolution under Policy CS 20, Sexual Misconduct.

The exercise of rights protected under the First Amendment do not constitute retaliation prohibited under this section.

Process for Adjudicating Sexual Misconduct Policy Complaints (University Policy CS 20)

Advisor or Support Person

Both a Complainant and a Respondent are entitled to one advisor or support person of their choice, and the advisor or support person may accompany the party to any meeting or proceeding under these processes. However, the advisor or support person shall not be permitted to participate directly in the Informal or the Formal resolution process. This includes advisors who are also attorneys. An advisor or support person may not stand in place of either the Complainant or the Respondent, and information regarding the progress of the inquiry or investigation will only be shared with the Complainant or Respondent, and not the advisor of choice. If the advisor or support person has any questions, they should contact the Associate Vice Chancellor for Civil Rights and Title IX, not the individual investigator from the Office of Compliance, Investigations and Ethics ("Investigator").

In keeping with the University's desire to resolve sexual misconduct complaints in a timely manner, the University reserves the right to proceed with any meeting regardless of the availability of the party's advisor or support person.

INITIAL INQUIRY

Once the Office of Civil Rights and Title IX receives notice of sexual misconduct, a referral will be made to the Office of Compliance, Investigations and Ethics and an Investigator will conduct an initial inquiry. Where the respondent (i.e., the accused) is an employee, the Office of Compliance, Investigations and Ethics will coordinate the initial inquiry with a chair, dean, director, supervisor, responsibility center head, or designee. For all other cases, the Investigator will continue to conduct an initial inquiry which generally includes interviews with the complainant, the respondent, a chair, dean, director, supervisor, responsibility center head, or designee, and sometimes a review of relevant documents.

The Investigator will then determine whether the information gathered indicates that the complaint falls within the Policy. If it is determined that the complaint falls within the Policy, the Investigator will determine whether the process should proceed to the Informal Process, the Formal Process, or another University process. The Investigator will make this determination by reviewing several factors including:

1. The wishes of the complainant and the respondent;
2. Consideration of a pattern of behavior; and
3. The nature and severity of the behavior or action.

A decision will then be made as to the appropriate next steps to bring resolution to the complaint, which will include one of the following:

1. Formal Process;
2. Informal Process;
3. Another University process; or
4. End the process.

The complainant and the respondent will be informed promptly upon an initial inquiry determination by the Investigator. If it is found that the complaint does not fall within the Policy, the reported matter, and other possible policy violations discovered during the inquiry (including any relevant information), may be referred to other University processes.

INFORMAL RESOLUTION

The informal process is an opportunity to bring resolution to a complaint through awareness, education, and/or a facilitated discussion. The Office of Civil Rights and Title IX, in conjunction with the Director of Student Conduct, a chair, dean, director, supervisor, responsibility center head or designee, or the Office of Human Resources, coordinates the informal process. During an informal process, no formal investigation is conducted to determine whether the Policy has been violated.

The informal process may only be used for alleged misconduct which does not involve sexual assault or violence.

The complainant has the right to end the informal process and begin the formal process, if the complainant wishes to do so.

1. Facilitate Resolution

The Investigator, in conjunction with the Director of Student Conduct, a chair, dean, director, supervisor, responsibility center head or designee, or the Office of Human Resources, uses the information gathered during the initial inquiry to facilitate an appropriate resolution to the complaint. The Investigator may determine that the informal process may be facilitated by an appropriate designee (e.g. for students, a Resident Director or other designee; for staff, a Human Resource representative; for faculty, a chair, dean, director, supervisor, responsibility center head, or designee; or for Trustees, the Office of Civil Rights and Title IX or designee). The following are examples of possible options, one or more of which may be used to bring resolution to an informal complaint.

- a. Distribute a copy of the Policy to the respondent and/or the complainant and/or to the department or area whose behavior is being questioned;
- b. Educate the respondent or all parties regarding the Policy;
- c. Conduct a sexual misconduct educational workshop for the designated department/school/University organization;
- d. Meet with the respondent to raise awareness about alleged inappropriate behavior and provide notice about possible University consequences;
- e. Facilitated discussion with the agreement of the complainant, respondent, and the Investigator;
- f. Institute alternative work arrangements, living arrangements, class schedule, dining facilities, or advisor/supervisor arrangements as feasible;
- g. Provide access to appropriate academic supports, such as tutoring, or permission to withdraw from or retake a class or classes; and/or
- h. Limit contact or impose a no contact order between respondent and complainant.

2. Document Informal Resolution

At the conclusion of the informal process, a letter summarizing the outcome(s) of the process will be sent by the Investigator to the complainant and respondent and other appropriate University officials.

If the matter is not resolved to the satisfaction of the complainant or the respondent utilizing the informal process, and/or the Office of Civil Rights and Title IX determines the matter should be resolved through the formal process, the complainant, the respondent and/or the University may pursue the formal process. In such an instance, the complainant, the respondent and/or the University may request to utilize the formal process by submitting a written request to the Investigator within five (5) business days of the date of the receipt of the informal outcome letter.

FORMAL COMPLAINT PROCESS

The Formal Complaint process is initiated when the complainant provides a signed statement that includes a brief description of the alleged incident and, to the extent known, the respondent's name(s) and the date, time and location of the incident (hereinafter "Complaint"). The Formal Complaint process may also be initiated by the University under appropriate circumstances. The Formal Complaint process involves a prompt, and equitable investigation conducted by an Investigator. The investigation is a fact-finding process, giving all parties notice and the opportunity to be heard, to identify witnesses and offer evidence, and to pose questions to parties and witnesses. Interim measures may be applied at any time throughout the Formal Complaint process.

The Formal Complaint process will generally progress as follows:

1. Once the complaint is received or the University otherwise initiates the Formal Complaint process, an Investigator will interview the complainant.
2. Following the completion of their interview with the complainant and a review of any other preliminary information necessary to evaluate the allegations, the Investigator will prepare an initial inquiry memorandum, which will be submitted to the Associate Vice Chancellor for Civil Rights and Title IX. The memorandum will evaluate whether or not the allegations set forth in the Complaint, if substantiated, would constitute a violation of the University's Sexual Misconduct Policy, and accordingly, a violation of the Code.
 - a. If the University Investigator's notification indicates that such allegations, if substantiated, would not constitute a violation of University's Sexual Misconduct Policy, the Associate Vice Chancellor for Civil Rights and Title IX, may dismiss the complaint, and that decision shall be final, barring new information. The Associate Vice Chancellor for Civil Rights and Title IX shall provide the complainant and respondent(s) with written notice of such dismissal.
 - b. In the event that the Investigator's notification indicates that the allegations set forth in the complaint, if substantiated, would constitute a violation of University policy, or if the Associate Vice Chancellor for Civil Rights and Title IX determines that the matter should be investigated, the Investigator will conduct a fact-finding investigation. Steps in this investigation will include, as appropriate:
 - The respondent will be provided with written notification of investigation and be made aware that a Formal Complaint has been submitted to the Office of Compliance, Investigations and Ethics. The respondent will be provided with an opportunity to review the complaint at the University's Office of Compliance, Investigations and Ethics.
 - The Investigator will meet separately with the complainant and the respondent(s).
 - The Investigator will interview relevant witnesses and review relevant physical, documentary or other evidence.
 - As described below, each party will be given an opportunity to identify relevant witnesses. In order to have a prompt and equitable process, the investigator may provide deadlines for providing information. Delays in providing witness contact information and/or evidence may impact the Investigator's ability to consider these elements.
3. The Investigator may consider the credibility of the parties and witnesses and relevant information, including evidence of pattern. Both parties may provide information and names of witnesses to the Investigator. The Investigator will not apply rules of evidence followed in court proceedings and will not entertain legal motions. Legal rules pertaining to the wording of questions, hearsay, and opinions will not be applied. Reasonable rules of relevancy will guide the Investigator in deciding on the admissibility of evidence and witness statements. Reasonable limits may be imposed on the number of factual witnesses and the amount of cumulative evidence that may be introduced.
4. After the complainant(s) and/or respondent(s) have been interviewed by the Investigator, each will be provided with an opportunity to review a written summary of their own interview. The complainant and respondent will then have five (5) business days from the date the summary is made available to review their own interview summary and provide any comments or new evidence to the Investigator. Comments will be reviewed and retained in the investigative file but may not necessarily result in a change to the summary.
5. After the Investigator concludes gathering and evaluating evidence, including witness interviews, an investigation summary will be prepared. At this time, the complainant and respondent will have an opportunity to review, in the Office of Compliance, Investigations and Ethics, the investigative summary. The investigative summary will include the relevant information provided by the complainant, respondent, and any witnesses, as well as other evidence gathered during the investigation which will be considered in making a determination regarding

the alleged University's Sexual Misconduct Policy and/or Code Violation. Within five (5) business days of the date that the investigative summary was first made available for review, the complainant and respondent must submit verbally or in writing to the Investigator any comments (including additional statements, proposed witness questions and additional evidence) concerning the summary. This portion of the investigation may be an iterative process.

6. Following the receipt of any comments on the investigative summary, or after the five (5) day period has lapsed without comment, the Investigator will prepare a final written report that includes the investigative summary and a determination of whether a violation has occurred. The final written report will include the basis upon which the Investigator reached their determination of responsibility. This determination will be made using the preponderance of the evidence standard, asking whether it is more likely than not that the University's Sexual Misconduct Policy has been violated.
7. The report will be provided first to the Associate Vice Chancellor for Civil Rights and Title IX for review and input.
 - 7a. For students: After the Associate Vice Chancellor for Civil Rights and Title IX's review and input, the final report will be forwarded to the Dean of Students for approval and imposition of any sanctions recommended by the Associate Vice Chancellor for Civil Rights and Title IX. The Dean of Students will have discretion to accept or alter the recommended sanction(s), if they believe that the totality of circumstances, including but not limited to University precedent, justifies such a change. Once the Dean of Students has made a determination on sanctions, either the Office of Civil Rights and Title IX or the Dean of Students will provide the decision letter to both the complainant and respondent. At this time, a copy of the final investigation report will be available in the Office of Civil Rights and Title IX for review.
 - 7b. For employees: If the investigation establishes that the Policy was violated by a preponderance of the evidence, the Associate Vice Chancellor for Civil Rights and Title IX and the appropriate administrator will determine recommended sanctions to be submitted for approval to the chair, dean, director, supervisor, responsibility center head, or designee. Sanctions will be based on the nature and severity of the offense and/or on prior violations of University policy. The Office of Civil Rights and Title IX will distribute, at the same time or as near the same time as feasible, an outcome letter to the complainant and to the respondent, and a full report will go to the chair, dean, director, supervisor, responsibility center head, or designee. A copy of the report will be kept on file in the Office of Civil Rights and Title IX, the Office of Compliance, Investigations and Ethics, or other appropriate office.
8. Both the complainant and the respondent may submit an appeal within ten (10) business days from the date of the decision letter (see appeal process below).

In general, the University attempts to complete investigations within 60 days, although for good cause, that period may be longer.

Student Sexual Misconduct Appeal Process

Appeal petitions related to Sexual Misconduct Violations may be filed by either the Complainant or the Respondent. Persons filing an appeal will have ten (10) business days from the date of the decision letter to file their petition with the University Review Board(URB), at URBModerator@pitt.edu.

The appeal petition must include a thorough statement and all facts or evidence which support one or more of the following (Scope of Review):

1. Whether Rights affirmed by the Board of Trustees have been denied;
2. Whether established procedures were not followed in a manner that would have significantly affected the decision;
3. Whether there was an absence of a rational connection between the facts found and the findings;
4. Whether the issued sanctions are substantially disproportionate to the severity of the Violation; or,
5. Whether new evidence is presented which was not available or discoverable during the process that if available at the time would have significantly altered the findings or sanctions.

As discussed under University Review Board procedures, the URB Moderator and applicable URB members will make their determination of whether to proceed with an appeal based on submitted documentation only.

In addition, persons filing an appeal may also request postponement of sanctions pending appeal. Such requests must explain why the imposition of sanctions must be postponed. The question to be answered in determining whether to postpone Sanction(s) is, whether the immediate imposition or postponement of the Sanction(s) will unfairly prejudice either party (the complainant or respondent), pending a final determination of the appeal.

All decisions regarding the postponement of Sanctions will be made within five (5) business days of the receipt of such a request and will be communicated to appropriate parties in writing through the URB Moderator.

URB PROCEDURES FOR REVIEWING PETITION TO APPEAL

In cases involving Sexual Misconduct, the URB Moderator will consult with two faculty members of the URB. The URB Moderator and applicable URB members will make their determination of whether to proceed with an appeal based on submitted documentation only.

Where the URB has determined that an appeal's petition does not fall within the Scope of Review, the URB Moderator and two URB members will render and submit a written opinion and recommended dismissal of appeal, accompanied by the record, to the Provost for review and consideration. Upon completion of this review and consideration, notice of the outcome will be given to the Respondent. In cases involving Sexual Misconduct, both the Complainant and Respondent will receive notice of the outcome of the review of the petition to appeal.

URB PROCEDURES FOR PROCEEDING WITH AN APPEAL

Where it has been determined that a petition falls within the Scope of Review, the URB Moderator will notify the applicable parties that an appeal has been initiated.

The URB Moderator will then schedule an appeal proceeding. Applicable parties to the appeal proceedings will receive a copy of the appeal petition and procedures and written notification of the time, date, and place of the proceeding.

The appeal will be conducted under the procedural guidance of the URB Moderator, who also shall determine the composition of the URB panel.

The URB panel, in its discretion, may elect to decide an appeal based solely on the submission of documents from the applicable parties, without oral argument. The URB appeal process does not include testimony from witnesses.

If the URB, in its discretion, decides to allow oral argument, applicable parties will be given reasonable time to present their position. A party may refer to any records, documents, or recordings from a prior proceeding and may present written argument. A party may question the other about their argument, except in cases involving Sexual Misconduct. Members of the URB panel and the URB Moderator may question the parties.

The URB panel may remand a matter to the Office of Student Conduct or the Office of Civil Rights and Title IX for further proceedings when the URB panel determines that there are insufficient written findings or prejudicial procedural error.

In other cases, the URB panel, by a majority, shall forward a written opinion, recommend action, and complete record to the Provost, or their designee. There may be an accompanying minority opinion.

Once a decision is made by the Provost or their designee, applicable parties will be notified.

EMPLOYEE SEXUAL MISCONDUCT APPEAL PROCESS

Where the responding party is a faculty or staff member, any appeal should be made to the Provost or Senior Vice Chancellor for Business and Operations.

In cases where the recommended discipline involves early termination of appointment for cause, the procedure under the University Bylaws, and not this appeals process, applies. However, the substantive and procedural requirements under any applicable law, remain applicable.

In other cases, the Provost or Senior Vice Chancellor will appoint an Appeals Board of three (3) individuals. Two members of the Appeals Board will be faculty who are members of the University Review Board ("URB"); the third member will be appointed by the Provost or Senior Vice Chancellor from the pool of individuals who have received appropriate training from the Office of Civil Rights and Title IX, and consistent with the employment status of the parties involved. Consistent with guidance from the Office of Civil Rights and Title IX, students will not be members of hearing or appeal boards.

Appeals must be submitted to the Office of the Provost or Senior Vice Chancellor within ten (10) business days of receipt of the written decision and must specify the grounds for the appeal. The Appeals Board shall not rehear or make a redetermination of the facts of the matter, but will review only whether the decision erred in one of three limited grounds on which an appeal may be filed, which are as follows:

1. New information not available to the Investigator which, if available at the time of the investigation, would have significantly affected the decision;
2. Evidence that established procedures were not followed in a manner that would have significantly affected the decision, and/or;
3. The sanction(s) are substantially disproportionate to the severity of the violation.

The Appeals Board determines whether the appeal submitted falls within one of the three grounds for appeal of a decision, reviews the report and sanctions to be imposed, and other relevant documents or statements.

Generally, if an Appeals Board finds that an appeal is valid in that either appeal basis #1 (substantial new evidence was not available that would have affected the decision) or #2 (evidence that established procedures were not followed in a manner that would have affected the decision), the Appeals Board will refer the appeal back to the Investigator and appropriate administrator to remedy the issue.

As for appeal basis #3 (the sanction was substantially disproportionate to the severity of the violation), the Appeals Board will make a recommendation to the Provost or Senior Vice Chancellor regarding the finding and the sanction based on a review of the existing written record. The sanction recommended by the Appeals Board may be different than the sanction recommended after the investigation, including a sanction that is greater than or lesser than the sanction initially recommended.

Generally, the Appeals Board should complete its work within thirty (30) days.

The Provost or Senior Vice Chancellor shall review the recommendation of the Appeals Board and make a final determination. That determination will be communicated in writing to the respondent, the complainant, the Investigator and to the appropriate administrators (e.g., respondent's appropriate Responsibility Center Head).

The Provost or Senior Vice Chancellor will generally respond within thirty (30) days of receiving the recommendation from the Appeals Board. The decision of the Provost or Senior Vice Chancellor shall be final.

Sanctions for Student Sexual Misconduct Violations

Student Sanctions for violating the University's Sexual Misconduct Policy may include the following: disciplinary reprimand, disciplinary probation, disciplinary suspension, disciplinary dismissal, housing probation, housing suspension, housing dismissal, a permanent no-contact-order, permanent restriction for a portion of or all campus locations (Persona Non Grata status), counseling assessment, mandatory trainings or online educational modules, and meeting with Title IX personnel.

Sanctions for Employee Sexual Misconduct Violations

Possible sanctions the University may impose on an employee for violation of the Sexual Misconduct Policy may include: permanent no-contact orders, mandatory training, suspension of employment, employment reassignment, restrictions from all or part of campus (Persona Non Grata), termination from the University.

Non-retaliation Statement

Retaliation against anyone involved in the investigation of alleged incidents of sexual misconduct, whether they are the complainant, a witness, an investigator or anyone else, is prohibited. Retaliation is the act of taking adverse action against a complainant, a respondent, or any other person involved in the process based on the person's reporting or participation in the process. Retaliation includes behavior on the part of the respondent or the complainant and other related persons, including, but not limited to, acquaintances, friends, and family members. Although independent action will be taken against anyone engaging in retaliation, the complainant and the respondent are responsible for discouraging such actions and will also be held responsible to the extent of their involvement in the retaliation.

Retaliation will constitute separate grounds for disciplinary action. An individual who believes that they have experienced retaliation should contact the Office of Civil Rights and Title IX, and the University will investigate the complaint. If the University determines that evidence exists to support that retaliation occurred, appropriate action will be taken regardless of the outcome of the underlying sexual misconduct complaint. This may involve referral of the retaliation concerns to another University process for resolution.

To review the University's Statement on Confidentiality and Nonretaliation, please follow this link: wellbeing.pitt.edu/civil-rights-title-ix/how-make-report. In addition to outlining the University's stance against retaliation, this statement also clarifies that all individuals involved in the investigation process are expected to honor the confidentiality of the process and the information involved.

When walking or running:

- Maintain a six-foot distance from others as much as possible.
- Carry a whistle or personal alarm that makes a high-pitched, penetrating sound.
- Go with someone.
- Stay away from isolated areas.
- Stay in well-lit, well-traveled areas, walking midway between curbs and buildings and away from alleys and bushes.
- Hold your purse, backpack, or briefcase tightly and close to your body.
- Keep your wallet in a front pocket, which is safer than a back pocket.
- Become familiar with the locations of emergency phones on your route.

If you're being followed:

- Cross the street or change direction.
- Keep looking back so the person knows you can't be surprised.
- Go to a well-lit area. Enter a building anywhere that there are people.
- Notice and remember as much as possible about the person so you can give a good description.
- When arriving at a safe place, call Pitt Police at **412-624-2121** and report the incident.

Where you live:

- Keep your doors and windows locked night and day.
- Secure windows if an air conditioner is installed.
- Don't let in strangers.
- Never prop doors open, especially fire doors, even for a short time.
- Avoid the potential dangers of hanging out or holding parties on rooftops or balconies of your rental home/apartment, especially if alcohol is involved.

Protect personal and University property:

- Lock your door every time you leave.
- Engrave expensive equipment and valuables with an ID number.
- Don't attach your Pitt ID or any other identification to your key chain.
- Don't leave your belongings (books, gym bags, backpacks, calculators, coats, etc.) unattended in libraries, hallways, gym facilities, or classrooms.
- Don't use an automated bank teller machine late at night.

Avoid working or studying alone in a building at night:

- If you work late, keep your office door locked.
- Call SafeRider at **412-648-CALL (2255)** or use the shuttle.
- Lock all doors behind you when entering or exiting at night.

Be aware of the bus lane:

- A bus lane runs along Fifth Avenue in the opposite direction to the one-way traffic.
- When crossing Fifth Avenue, look both ways to be safe.

Protect your car:

- Always lock your car and take the keys.
- Lock valuables in the trunk.
- Park in well-lit areas.

If driving:

- Have your keys ready when walking to your vehicle.
- Check the back seat before getting into a car.
- Keep doors locked while driving.
- Don't pick up hitchhikers.
- Don't hitchhike or accept rides from strangers.

Be a Good Neighbor

A comprehensive student guide details how students can lead safe and successful lives in the community beyond the Pittsburgh campus. Other materials, informational presentations, and events are made available to students, such as Student Resident Resource Workshops and Tenant Town Halls and Be a Good Neighbor block parties, which provide informal meet-and-greet opportunities for students and long-term residents to get to know each other. Forming positive relationships and establishing communication can help to reduce misunderstandings or conflicts within the neighborhood.

There are several practical reasons why students should develop good relationships with their neighbors—many of whom would welcome an opportunity to help students and even watch out for them and their property. Many residents help students adapt to living on their own away from home for the first time; students often return the favor by helping their neighbors with tasks such as shoveling snow. It is recommended that, if possible, students approach their neighbors proactively and get to know them, as that connection could prove to be beneficial.

To get involved with the Be a Good Neighbor program or to share any neighborhood updates or concerns, please contact the University of Pittsburgh Office of Engagement and Community Affairs or speak with a representative from the Student Government Board or Off-Campus Student Services. Off-Campus Student Services provides students with resources to find housing options as well as equipping them with the tools they need to live successfully off campus. E-mail oci@bc.pitt.edu, call **412-624-6998**, or visit oci.pitt.edu for more information about off campus living resources.

To learn more about community initiatives, visit community.pitt.edu, e-mail communityinfo@pitt.edu, or call **412-383-5600**.

The University of Pittsburgh Be a Good Neighbor Campaign, facilitated by the Office of Engagement and Community Affairs with support from the Division of Student Affairs and the Pitt Police, works closely with students, local residents, and community-based organizations to ensure Pitt and its students are good neighbors within the communities closest to campus. The campaign educates students about the importance of being a good neighbor, helps to build relationships between local residents and students, and encourages responsible behavior by students on and off campus. As part of the Be a Good Neighbor programs, Pitt involves faculty, staff, and students across the entire campus in significant days of service supporting community organizations and resident associations adjacent to campus.

Oakland: A Diverse Community

Oakland is a very diverse neighborhood, with the interaction of college students from three Oakland universities and non-student long-term residents. This blending, especially in urban settings, can lead to conflicts on a range of issues, including off-campus parties and littering.

It is the expectation that Pitt students are always in control of their behavior and that they are respectful of the right of their neighbors to quiet enjoyment of their premises. This includes being respectful of their neighbors, especially while attending parties.

As a student, whether you live on campus or off campus, you are encouraged to live by the common values expressed in the principles outlined in the Pitt Promise at all times studentaffairs.pitt.edu/dean/pittpromise.

Fire Safety Report

Fire Safety Information

Fire education and training programs for students living in residence halls are provided to the residence life staff and to specific groups. Residence life staff and desk attendants are trained in building emergency evacuation procedures. Fire extinguisher training is provided to designated personnel. Fire safety training for all students, staff, and faculty is available at Fire Safety Day during the fall term or by contacting the Department of Environmental Health and Safety at safety.pitt.edu/ehs and completing the training request form.

Students and employees should report any fire event regardless of size by activating a manual pull station and, after evacuating to a safe area, by calling the Pittsburgh campus emergency number, **412-624-2121**. Students and employees should also report any evidence of an extinguished fire to the Pittsburgh campus emergency number at **412-624-2121**. Students and employees are encouraged to report any problems with fire protection systems to University of Pittsburgh Housing Services via Panther Central.

A daily fire log is maintained by the Pitt Police as part of the daily crime and fire log. All actual fires occurring within on-campus residence facilities that are reported are recorded in the daily log. The most current log can be found at safety.pitt.edu/police/local-crime#log and is available for viewing in person Monday through Friday, 8 a.m. – 4 p.m., at the Jerome Cochran Public Safety Building, 3412 Forbes Ave.

Comprehensive guidelines for fire safety and fire prevention including those for emergency evacuation, electrical appliances, and no smoking or open flames can be found in the University's Safety Manual at safety.pitt.edu/ehs in the following sections: Fire and Emergency Evacuation Procedures, Fire Safety and Prevention, and Residence Halls.

Residence Hall Fire Safety

All residence halls and fraternity houses on the Pittsburgh campus are non-smoking environments. Each sleeping and living room in on-campus student housing has a smoke detector. Other fire safety devices in every residence hall and fraternity house on campus at Pitt include building fire alarm systems, fire extinguishers, and smoke/heat detectors in common building spaces and mechanical rooms.

On-campus Housing Fire Safety Systems

All sprinkler systems, all fire alarm pull stations, and certain smoke detectors are monitored 24/7 by Pitt Police and off-site by a nationally recognized security company. Detection by automated fire protection features or the use of a manual pull station will activate the building's alarm system of horns/speakers and strobe lights. Residence Life officials educate students each year on emergency egress and shelter-in-place procedures specific to a particular building.

Evacuation Procedures

When the fire alarm activates, all occupants must exit via the nearest stairs. If the building cannot be exited, stairwells are the area of refuge. In all residence halls, all on-campus fraternity houses, and the majority of the residential apartment buildings, the stairwells have fire-rated construction and are equipped with self-closing and latching fire doors. See **page 12** for more details about evacuation procedures. Students with a disability, or any student not capable of complying with the University Emergency Evacuation Plan, should contact the Department of Environmental Health and Safety (EH&S) at **412-624-9505** to develop an individual emergency evacuation plan.

Residence Hall Fire Drills

At least two unannounced emergency evacuation exercises are conducted for each on-campus residence building during every school year.

Prohibitions on Portable Electric Appliances, Smoking, and Open Flames

Students are required to read and comply with the Student Code of Conduct studentaffairs.pitt.edu/conduct, Residential Handbook, and/or their housing contract, which includes health and safety inspections and all other rules and guidelines for residential buildings. Periodic room inspections are performed and include, but are not limited to, a visual examination of electrical cords/power strips, smoke detectors, sprinkler heads, damages, etc. In addition, each room is examined for the presence of prohibited items (e.g., sources of open flame, such as candles; unapproved extension cords; halogen lamps; cooking appliances in non-kitchen areas; lofted furniture, lithium battery powered recreational vehicles (hover boards, skateboards, scooters, motor assisted pedal bicycles, remote controlled vehicles, etc.) or prohibited activity (e.g., smoking in the room; tampering with life safety equipment; possession of pets). The inspections also include a general assessment of trash and cleanliness of the room. Violations are recorded on room inspection reports and the resident director provides notification of sanctions.

Plans for Future Improvements in Fire Safety

Fire safety officials have increased the number of web-based fire safety programs to include video links and other forms of social media, such as X (formerly Twitter). Future improvements will consist of continuing collaboration with residence life to develop social media strategies and other methods to increase awareness and help educate students on various aspects of fire safety.

Footnotes for fire safety systems

- ① All unannounced to occupants
- ② Plans and Procedures — No Maps
- ③ No Full or Partial Sprinkler Systems
- ④ The Smoke Detectors in the Bedrooms/Suites Sound a Local Alarm. All Other Devices Activate a 3 Floor Zoned Alarm
- ⑤ Partial Sprinkler System

Transportation

Pitt Transportation Shuttle System

The Pitt shuttle buses run year-round (except during winter recess and spring break), seven days a week, to all parts of campus as well as to north and south Oakland and the Center for Biotechnology and Bioengineering. Hours vary by route. Service runs on a reduced schedule during University holidays and the summer term.

Fixed-route buses and shuttles stop at well-lit designated points along their routes. The main campus stop is the Cathedral of Learning and Hillman bus shelter, currently located on Forbes Ave. next to Schenley Plaza.

Shuttles are now equipped with GPS and arrival information is available at pittshuttle.com/routes from a desktop or laptop computer or by downloading the TransLoc App from any iPhone or Android.

For more information and the most up-to-date schedules for University of Pittsburgh shuttles, visit pts.pitt.edu/mobility/shuttle-services/saferider.

Pittsburgh Regional Transit (PRT) Partnership

Pitt students, staff, and faculty may ride PRT buses, light rail and inclines free of charge in Allegheny County by tapping a current and valid Pitt ID card at fare box upon entry.

Parking

Pitt operates 45 parking lots and 24 parking garages on the Pittsburgh campus. Student parking is offered to commuter, resident, and evening students. Several types of security devices and procedures help to provide for the safety of parking patrons:

- Emergency telephones are located in or immediately adjacent to each facility.
- Contracted security personnel monitor, on foot, all open garages.
- Security guards make scheduled rounds in our transient parking garages. By request, a security guard will escort patrons to their vehicles in these garages.
- Facilities without attendants are patrolled 24 hours per day by Pitt Police on foot, by bicycle, and in vehicles.

Pedestrian Safety

- Don't be distracted by texting or talking on your phone or wearing earbuds. Pay attention!
- Look both directions before you cross the street—even if it's a one-way street.
- Be aware of reverse-flow bus lanes (for example, Fifth Avenue in Oakland).
- Use crosswalks but be aware that drivers don't always stop at crosswalks.
- When using a crosswalk with a signal, remember that a steady walking person means you may begin crossing the street but be aware of turning vehicles.
- A flashing upraised hand means you should not begin to cross the street and those already crossing should complete their cross. A steady upraised hand means you should not cross the street.
- Be alert to drivers who might not see you in the crosswalk or at the green light. Some drivers' views might be blocked or they might make an illegal turn.
- Don't walk behind a car that is pulled up too far and is blocking the crosswalk.
- Walk facing traffic at night, carry a flashlight and wear reflective clothing. White clothing will not necessarily make you more visible to drivers.

Driver Safety

- Share the road with bicyclists and pedestrians and be especially vigilant at intersections and crosswalks.
- PA law requires drivers of motor vehicles to leave a minimum distance of 4 feet when passing or sharing the road with bicyclists. When approaching a bicyclist that has taken the lane, slow down and wait for oncoming traffic to clear before passing at a safe speed. PA law allows motor vehicles to pass bicyclists in no-passing zones as long as it is safe to do so. Don't cut off a bicyclist when returning to the lane after passing (also known as a "right hook.")
- Make eye contact with bicyclists at intersections and turns so they know your intention.
- It is illegal in the City of Pittsburgh to park or operate a motor vehicle in a bike lane.

- Be mindful of bicyclists riding along the curb or in bike lanes, especially when making a right turn and when exiting your parked vehicle.

Bicyclist Safety

- Yield the right-of-way to pedestrians on the road and give an audible signal by calling out "On your left!" before overtaking and passing them on paths and trails.
- Bicyclists have the same rights and responsibilities as motorists. PA law states that bicyclists should ride in the right-most travel lane except when preparing to make a left turn, when overtaking a slower vehicle, or if an obstruction requires the bicyclists to move out of the right-most lane. If you're on a road where a bike and vehicle can safely share the same lane (riding with at least 4 feet of clear space on both sides of you) then share the lane. Otherwise, bicyclists should take the lane which means riding in the middle of the traffic lane so other vehicles will have to wait until it is safe to pass.
- Be alert to the "door zone": the three to four feet next to parked vehicles where doors can swing open.
- When approaching intersections be sure to place yourself in a position that communicates to other road users where you intend to go. It is also important at intersections to be mindful of motorist who may be turning in front of you. Making eye contact with drivers and watching a vehicles movement helps you know whether they see you.
- Ride predictably, do not weave in and out of parked cars or stopped vehicles..
- It is illegal in the City of Pittsburgh to ride bicycles on sidewalks or crosswalks in business districts, including Oakland. Always dismount and walk your bike when using sidewalks or crosswalks in business districts.
- When riding at night, use a front white headlight and a rear red reflector (a flashing red light is ideal) that are bright and easily visible. Both are required by law in Pennsylvania and many other states. It is especially important to wear bright and reflective clothing that increases your visibility to other road users through your body movements. Adding reflectors to wheels, pant legs, and shoes are great examples.

Why This Brochure

It's the Law

Federal and Pennsylvania state laws mandate that you receive a report like this and dictate much of the information that is included.

Safety First

This report goes beyond state and federal requirements, offering safety tips and other information to benefit everyone in the University of Pittsburgh community. Some of this information may be disturbing to read, such as the section on sexual assault. Remember that knowledge is power. Open, frank discussions about crime lead to better prevention and enhanced safety.

If you would like to have a paper copy of the report mailed to you, call **412-624-4040**. You may also pick one up at the University of Pittsburgh Police Department in the Jerome Cochran Public Safety Building Monday-Friday, 8 a.m. to 4 p.m. Or, you can visit the For Safety's Sake website at safety.pitt.edu/annual-security-report and print a copy.

Right to Know Information

- The University of Pittsburgh is responsible for complying with Chapter 3 of the Pennsylvania Uniform Crime Reporting Act and with the federal Jeanne Clery Act. If you have a question or concern regarding these acts, please contact Ted Fritz, vice chancellor of public safety and emergency management, **412-624-4288**.
- The federal Equity in Athletics Disclosure Act (EADA) requires certain institutions of higher education, including the University of Pittsburgh, to prepare and make available an annual report relating to intercollegiate athletics participation, staffing, revenues, and expenses by men's and women's teams. Students, prospective students, and others may review the University's Pittsburgh campus report by inquiring at the Hillman Library reference/information desk. Additionally, the University's most recent EADA Pittsburgh campus report may be reviewed on the [athletics website](http://athletics.pitt.edu). The University will provide paper copies of the report upon written request to the Office of University Counsel at the following address: 2400 Cathedral of Learning, 4200 Fifth Ave., Pittsburgh, PA 15260.
- In accordance with federal Student Right to Know regulations, information about the Pittsburgh campus graduation rate is available by contacting the Office of Institutional Research at **412-624-6767** or by visiting ir.pitt.edu/university-information.

The University of Pittsburgh values equality of opportunity and prohibits unlawful discrimination. Find the full Notice of Nondiscrimination at wellbeing.pitt.edu/notice-nondiscrimination-and-anti-harassment-policy-statement-0.
